SUPPLEMENTARY INFORMATION:

I. Background

The Southeast Alaska purse seine salmon fishery is a commercial fishery in Alaska state waters and adjacent Federal waters. It encompasses the commercial taking of salmon with purse seine gear, and participation is limited to fishermen designated by the Alaska Commercial Fisheries Entry Commission (CFEC). Congress authorized a \$23.5 million loan to finance a fishing capacity reduction program in the Southeast Alaska purse seine salmon fishery. NMFS published proposed program regulations on May 23, 2011 (76 FR 29707), and final

program regulations on October 6, 2011 (76 FR 61986), to implement the reduction program.

In 2012, NMFS conducted a referendum to determine the remaining fishermen's willingness to repay a \$13.1 million fishing capacity reduction loan to remove 64 permits. After a majority of permit holders approved the loan, NMFS disbursed payments to the successful bidders and began collecting fees to repay the loan. Since only \$13.1 million was expended from the total loan amount, \$10.4 remains available. This second referendum, if approved, will result in a second loan of \$5.8 million and permanently retire an additional 22 permits from the fishery.

In August 2016, the Southeast Revitalization Association submitted a second capacity reduction plan to NMFS and NMFS approved the second plan in October 2016. The final regulations require NMFS to publish this notice before conducting a referendum to determine the industry's willingness to repay a second fishing capacity reduction loan to purchase the permits identified in the second reduction plan.

As of October 21, 2016, there are 315 permits in the fishery designated as S01A by CFEC. These permanent permit holders are eligible to vote in this second referendum. Comments may address: (1) Persons who appear on the below list but should not; (2) persons who do not appear on the list but should; (3) persons whose names and/or business mailing addresses are incorrect; and (4) any other pertinent matter. NMFS will update the list, as necessary, immediately before mailing referendum ballots. Mailed ballots will be accompanied by NMFS' detailed voting guidance.

II. Referendum Voting Period

The referendum voting period will start December 13, 2016 and end on January 13, 2017. Any votes not received by NMFS by 5 p.m. on January 13, 2017, will not be counted.

III. Public Meetings

NMFS will hold a series of four public informational meetings with Southeast Alaska purse seine salmon permit holders and interested individuals:
