## DEPARTMENT OF JUSTICE

### Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On November 1, 2016, the Department  
of Justice lodged a proposed consent  
decree with the United States District  
Court for the District of Arizona in the  
lawsuit entitled *United States v.*  
*WestRock CP, LLC*, Civil Action No. CV-  
16-08247-PCT-PGR.

The United States alleged that  
WestRock CP, LLC—as the successor to  
Southwest Forest Industries, Inc.—is  
liable under Section 107 of the  
Comprehensive Environmental  
Response, Compensation, and Liability  
Act (CERCLA), 42 U.S.C. 9607, for  
reimbursement of response costs  
incurred or to be incurred by the U.S.  
Environmental Protection Agency in  
connection with releases or threatened  
releases of hazardous substances into  
the environment at or from land  
associated with a former wood-treating  
facility located approximately 1 mile  
northeast of Prescott, Arizona and on  
the Yavapai-Prescott Indian reservation.  
To date, unreimbursed response costs  
have totaled approximately \$6.2  
million. Under the proposed consent  
decree and consistent with an earlier  
bankruptcy settlement agreement, the  
United States will be allowed a general  
unsecured claim in the sum of \$2.8  
million in the Chapter 11 bankruptcy  
case involving WestRock CP, LLC's  
predecessor Smurfit-Stone Container  
Corporation. The allowed claim will be  
satisfied as a cash distribution of  
\$1,602,877.46; 56,064 shares of  
WestRock Company stock; and 9,344  
shares of Ingevity Corporation stock. In  
return, the United States covenants not  
to sue or take administrative action  
against WestRock CP, LLC pursuant to  
Sections 106 and 107(a) of CERCLA, 42  
U.S.C. 9606 and 9607(a), and Section
