- (c) The Office of Unfair Import Investigations, U.S. International Trade Commission, 500 E Street, SW., Suite 401, Washington, DC 20436; and
- (3) For the investigation so instituted, the Chief Administrative Law Judge, U.S. International Trade Commission, shall designate the presiding Administrative Law Judge.

Responses to the complaint and the notice of investigation must be submitted by the named respondents in accordance with section 210.13 of the Commission's Rules of Practice and Procedure, 19 CFR 210.13. Pursuant to 19 CFR 201.16(e) and 210.13(a), such responses will be considered by the Commission if received not later than 20 days after the date of service by the Commission of the complaint and the notice of investigation. Extensions of time for submitting responses to the complaint and the notice of investigation will not be granted unless good cause therefor is shown.

Failure of a respondent to file a timely response to each allegation in the complaint and in this notice may be deemed to constitute a waiver of the right to appear and contest the allegations of the complaint and this notice, and to authorize the administrative law judge and the Commission, without further notice to the respondent, to find the facts to be as alleged in the complaint and this notice and to enter an initial determination and a final determination containing such findings, and may result in the issuance of an exclusion order or a cease and desist order or both directed against the respondent.

By order of the Commission.

Issued: November 7. 2016.

#### Lisa R. Barton,

Secretary to the Commission.

# Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On November 1, 2016, the Department of Justice lodged a proposed consent decree with the United States District Court for the District of Arizona in the lawsuit entitled *United States* v. *WestRock CP, LLC,* Civil Action No. CV–16–08247–PCT–PGR.

The United States alleged that WestRock CP, LLC—as the successor to Southwest Forest Industries, Inc.—is liable under Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. 9607, for reimbursement of response costs incurred or to be incurred by the U.S. Environmental Protection Agency in connection with releases or threatened releases of hazardous substances into the environment at or from land associated with a former wood-treating facility located approximately 1 mile northeast of Prescott, Arizona and on the Yavapai-Prescott Indian reservation. To date, unreimbursed response costs have totaled approximately \$6.2 million. Under the proposed consent decree and consistent with an earlier bankruptcy settlement agreement, the United States will be allowed a general unsecured claim in the sum of \$2.8 million in the Chapter 11 bankruptcy case involving WestRock CP, LLC's predecessor Smurfit-Stone Container Corporation. The allowed claim will be satisfied as a cash distribution of \$1,602,877.46; 56,064 shares of WestRock Company stock; and 9,344 shares of Ingevity Corporation stock. In return, the United States covenants not to sue or take administrative action against WestRock CP, LLC pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. 9606 and 9607(a), and Section 7003 of the Resource Conservation and Recovery Act (RCRA), 42 U.S.C. 6973, regarding the site.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States* v. *WestRock CP, LLC*, D.J.

Ref. No. 90–11–3–09733/3. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
