Mission and Functions

The mission of the Committee is to make recommendations to the Commission regarding consumer issues within the jurisdiction of the Commission and to facilitate the participation of consumers (including underserved populations, such as Native Americans, persons living in rural areas, older persons, people with disabilities, and persons for whom English is not their primary language) in proceedings before the Commission. The Committee may consider issues including, but not limited to, the following topics:

- Consumer protection and education;
- Implementation of Commission rules and consumer participation in the FCC rulemaking process; and,
- The impact of new and emerging communication technologies (including availability and affordability of broadband service and Universal Service programs).

The duties of the Committee will include providing guidance to the Commission, to gather data and information, and to perform those analyses that are necessary to respond to the questions or matters before it.

Background

In November 2000, the Committee was initially established for a period of two (2) years from the original charter date. Following expiration of the original charter, the Committee was subsequently renewed several times. On October 14, 2016, the Committee held the final meeting of its most recent term, and thereafter, the Committee's charter, and all member appointments, terminated. The charter was renewed on October 21, 2016, for another two-year term, the ninth such renewal. This renewal is necessary and in the public interest. The Committee will operate in accordance with the provisions of the Federal Advisory Committee Act, 5 U.S.C. App. 2 (1988). Each meeting of the Committee will be open to the public. A notice of each meeting will be published in the **Federal Register** at least fifteen (15) days in advance of the meeting. Records will be maintained of each meeting and made available for public inspection.

During the Committee's ninth term, it is anticipated that the Committee will meet in Washington, DC for a minimum of three (3) one-day plenary meetings per year. In addition, as needed, working groups or subcommittees will be established to facilitate the Committee's work between meetings of the full Committee. Meetings will be fully accessible to individuals with disabilities.

Members must be willing to commit to a two (2) year term of service, and should be willing and able to attend a minimum of three (3) one-day plenary committee meetings per year in Washington, DC. Committee members are also expected to participate in deliberations of at least one (1) working group or subcommittee.

Appointment of Members and Chairperson

In anticipation of the renewal of the Committee's charter, by a Public Notice (DA 16-657) released June 14, 2016, the

Commission solicited applications for membership on the Committee for its ninth two-year term. The application deadline was July 25, 2016.

After a review of the applications received, Chairman Tom Wheeler hereby appoints twenty-nine (29) members to the Committee. The Committee's membership is designed to be representative of the Commission's many constituencies, and the diversity of the selected members will provide a balanced point of view as required by the Federal Advisory Committee Act. In addition, Chairman Wheeler designates Eduard Bartholme representing Call For Action as Chairperson of the Committee.
