DEPARTMENT OF COMMERCE**Submission for OMB Review; Proposed Revised Information Collection Comment Request; Limited Access Death Master File Subscriber Certification Form**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Technical Information Service, Commerce.

Title: Limited Access Death Master File Subscriber Certification Form (Certification Form).

OMB Control Number: 0692–0013.

Form Number(s): NTIS FM161.

Type of Request: Revised information collection.

Number of Respondents: NTIS expects to receive approximately 560 applications for certification or renewal of certification every year for access to the Limited Access Death Master File.

Average Hours per Response: 2.5 hours.

Burden Hours: 1400 (560 applications × 2.5 hours = 1400 hours).

Needs and Uses: NTIS issued a final rule establishing a program through which persons may become eligible to obtain access to Death Master File (DMF) information about an individual within three years of that individual’s death. The final rule was promulgated under Section 203 of the Bipartisan Budget Act of 2013, Public Law 113–67 (Act). The Act prohibits the Secretary of Commerce (Secretary) from disclosing DMF information during the three-year period following an individual’s death (Limited Access DMF), unless the person requesting the information has been certified to access the Limited Access DMF pursuant to certain criteria in a program that the Secretary establishes. The Secretary delegated the authority to carry out Section 203 to the Director of NTIS. Initially, on March 26, 2014, NTIS promulgated an interim final rule, establishing a temporary certification program (79 FR 16668) for persons who seek access to the Limited Access DMF. Subsequently, on December 30, 2014, NTIS issued a notice of proposed rulemaking (79 FR 78314). NTIS adjudicated the comments received, and, on June 1, 2016, published a final rule (81 FR 34822).

NTIS created the Certification Form used with the interim final rule for Persons and Certified Persons to provide information to NTIS describing the basis upon which they are seeking

certification. In the notice of proposed rulemaking, NTIS discussed proposed revisions to the Certification Form (79 FR 78314 at 78320–21). The final rule requires that Persons and Certified Persons provide additional information to improve NTIS’s ability to determine whether a Person or Certified Person meets the requirements of the Act (81 FR 34882).

Affected Public: Members of the public seeking certification or renewal of certification for access to the Limited Access Death Master File under the final rule for the “Certification Program for Access to the Death Master File.”

Frequency: Once a year.

Respondent’s Obligation: Mandatory for any Person seeking certification or renewal of certification for access to the Limited Access DMF.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395–5806.

CONSUMER PRODUCT SAFETY COMMISSION**Civil Penalties; Notice of Adjusted Maximum Amounts**

AGENCY: Consumer Product Safety Commission

ACTION: Notice of adjusted maximum civil penalty amounts.

SUMMARY: In 1990, Congress enacted statutory amendments that provided for periodic adjustments to the maximum civil penalty amounts authorized under the Consumer Product Safety Act, the Federal Hazardous Substances Act, and the Flammable Fabrics Act. On August 14, 2009, the Consumer Product Safety Improvement Act of 2008 (CPSIA) increased the maximum civil penalty amounts to \$100,000 for each violation and \$15,000,000 for any related series of violations. The CPSIA also revised the starting date, from December 1, 1994 to December 1, 2011, and December 1 of each fifth calendar year thereafter, on which the Commission must prescribe

and publish in the **Federal Register**, the schedule of maximum authorized penalties. As calculated in accordance with the amendments, the new amounts are \$110,000 for each violation, and \$16,025,000 for any related series of violations.

DATES: The new amounts will become effective on January 1, 2017.

FOR FURTHER INFORMATION CONTACT: Dennis C. Kacoyanis, Attorney, Office of the General Counsel, U.S. Consumer Product Safety Commission, 4330 East West Highway, Bethesda, MD 20814; telephone (301) 504-7587; email dkacoyanis@cpsc.gov.

SUPPLEMENTARY INFORMATION: The Consumer Product Safety Improvement Act of 1990 (Improvement Act), Public Law 101-608, 104 Stat. 3110 (November 16, 1990), and the Consumer Product Safety Improvement Act of 2008 (CPSIA), Public Law 110-314, 122 Stat. 3016 (August 14, 2008), amended the Consumer Product Safety Act (CPSA), the Federal Hazardous Substances Act (FHSA), and the Flammable Fabrics Act (FFA). The Improvement Act added civil penalty authority to the FHSA and FFA, which previously contained only criminal penalties. 15 U.S.C. 1264(c) and 1194(e). The Improvement Act also increased the maximum civil penalty amounts applicable to civil penalties under the CPSA and set the same maximum amounts for the newly created FHSA and FFA civil penalties. 15 U.S.C. 2069(a)(1), 1264(c)(1) and 1194(e)(1).

The Improvement Act directed the Commission to adjust the maximum civil penalty amounts periodically for inflation:

(A) The maximum penalty amounts authorized in paragraph (1) shall be adjusted for inflation as provided in this paragraph.

(B) Not later than December 1, 1994, and December 1 of each fifth calendar year thereafter, the Commission shall prescribe and publish in the **Federal Register** a schedule of maximum authorized penalties that shall apply for violations that occur after January 1 of the year immediately following such publication.

(C) The schedule of maximum authorized penalties shall be prescribed by increasing each of the amounts referred to in paragraph (1) by the cost-of-living adjustment for the preceding 5 years. Any increase determined under the preceding sentence shall be rounded to—

(i) in the case of penalties greater than \$1,000 but less than or equal to \$10,000, the nearest multiple of \$1,000;

(ii) in the case of penalties greater than \$10,000 but less than or equal to \$100,000, the nearest multiple of \$5,000;

(iii) in the case of penalties greater than \$100,000 but less than or equal to \$200,000, the nearest multiple of \$10,000; and

(iv) in the case of penalties greater than \$200,000, the nearest multiple of \$25,000.

(D) For purposes of this subsection:

(i) The term “Consumer Price Index” means the Consumer Price Index for all-urban consumers published by the Department of Labor.

(ii) The term “cost-of-living adjustment for the preceding five years” means the percentage by which—

(I) the Consumer Price Index for the month of June of the calendar year preceding the adjustment; exceeds

(II) the Consumer Price Index for the month of June preceding the date on which the maximum authorized penalty was last adjusted. 15 U.S.C. 2069(a)(3), 1264(c)(6), and 1194(e)(5).

The CPSIA amended the CPSA, FHSA, and FFA to increase the maximum civil penalty amounts to \$100,000 for each violation, and \$15,000,000 for any related series of violations. 15 U.S.C. 2069(a)(1), 1264(c)(1), and 1194(e)(1). The CPSIA also revised the starting date from December 1, 1994, and every fifth year thereafter, to no later than December 1, 2011, and every fifth year thereafter, as the date on which “the Commission shall prescribe and publish in the **Federal Register** a schedule of maximum authorized penalties that shall apply for violations that occur after January 1 of the year immediately following such publication.”

The Commission’s Directorate for Economics has calculated that the cost-of-living adjustment increases the maximum civil penalty amounts to \$105,722 for each violation, and to \$16,016,580 for any related series of violations. Rounding off these numbers in accordance with the statutory directions, the adjusted maximum amounts are \$110,000 for each violation, and \$16,025,000 for any related series of violations. These new amounts will apply to violations that occur after January 1, 2017.

Dated: November 18, 2016.

CONSUMER PRODUCT SAFETY COMMISSION

Conclusion of Consumer Product Safety Commission International Trade Data System Initial Test Concerning the Electronic Filing of Targeting/ Enforcement Data

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: The U.S. Consumer Product Safety Commission (Commission or CPSC) in consultation with U.S. Customs & Border Protection (CBP) previously announced a test to assess the electronic filing of certain data via the Partner Government Agency (PGA) Message Set to the CBP-authorized Electronic Data Interchange (EDI) system known as the Automated Commercial Environment (ACE). Test participants collaborated with CBP and CPSC in examining the effectiveness of the “single window” capability and assessing the concept of a data registry (the Product Registry), maintained by CPSC. CBP and CPSC have determined that the test, which the CPSC refers to as the “eFiling Alpha Pilot,” was successful, in that participating firms were able to file CPSC’s PGA Message Set data as part of an ACE entry, CPSC was able to receive the PGA Message Set data from CBP, and CPSC was able to accept the data into CPSC’s system for risk analysis. Accordingly, this document announces that the initial test, the eFiling Alpha Pilot, will conclude on December 31, 2016.

DATES: The CPSC test will conclude on December 31, 2016.

ADDRESSES: Comments on the test or concerning this notice should be submitted through electronic mail to: efilingpilot@cpsc.gov.

FOR FURTHER INFORMATION CONTACT: Questions regarding the test should be directed to Jim Joholske, Deputy Director, Office of Import Surveillance, U.S. Consumer Product Safety Commission, (301) 504-7527, efilingpilot@cpsc.gov. Questions sent by electronic mail should contain the subject heading “Question re PGA Message Set Test.” For technical questions regarding ACE or ABI transmissions, or the PGA message set data transmission, please contact your assigned CBP client representative. Interested parties without an assigned client representative should submit an email to Steven Zaccaro at steven.j.zaccaro@cbp.dhs.gov.
