

proposed new products on the Exchange, just as they are currently traded on other exchanges. The proposed changes do nothing more than match Exchange rules with what is currently available on other exchanges. The Exchange believes that by conforming its rules and allowing trading opportunities on the Exchange that are already allowed by rule on another market, the proposal would offer another venue for trading Exchange Traded Products and thereby promote broader competition among exchanges. The Exchange believes that individuals and entities permitted to make markets on the Exchange in the proposed new products should enhance competition within the mechanism of a free and open market and a national market system, and customers and other investors in the national market system should benefit from more depth and liquidity in the market for the proposed new products.

The proposed change is not designed to address any competitive issue, but rather to adopt new rules that are word-for-word identical to the rules of NYSE Arca (other than with respects[sic] to certain non-substantive and technical amendments described above), to support the Exchange's new Pillar trading platform. As discussed in detail above, with this rule filing, the Exchange is not proposing to change its core functionality, but rather to adopt a rule numbering framework and rules based on the rules of NYSE Arca. The Exchange believes that the proposed rule change would promote consistent use of terminology to support the Pillar trading platform on both the Exchange and its affiliate, NYSE Arca, thus making the Exchange's rules easier to navigate.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. To the contrary, the current variances between the Exchange's rules for the trading pursuant to UTP and the rules of other exchanges limit competition in that there are certain products that the Exchange cannot trade pursuant to UTP, while other exchanges can trade such products. Thus, approval of the proposed rule change will promote competition because it will allow the Exchange to compete with other national securities exchanges for the trading of securities pursuant to UTP.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79402; File No. SR-NYSEArca-2016-131]

Self-Regulatory Organizations; NYSE Arca, Inc.; Order Approving a Proposed Rule Change Relating To Listing and Trading of Shares of the Virtus Enhanced U.S. Equity ETF Under Commentary .01 to NYSE Arca Equities Rule 5.2(j)(3)

November 25, 2016.

I. Introduction

On October 3, 2016, NYSE Arca, Inc. (“Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4

thereunder,² a proposed rule change to list and trade shares (“Shares”) of the Virtus Enhanced U.S. Equity ETF (“Fund”), a series of Virtus ETF Trust II (“Trust”), under Commentary .01 to NYSE Arca Equities Rule 5.2(j)(3) (“Investment Company Units”). The proposed rule change was published for comment in the **Federal Register** on October 20, 2016.³ The Commission received no comments on the proposed rule change. This order approves the proposed rule change.

II. Exchange’s Description of the Proposal⁴

The Exchange proposes to list and trade Shares of the Fund under Commentary .01 to NYSE Arca Equities Rule 5.2(j)(3), which governs the listing and trading of Investment Company Units on the Exchange. The Exchange represents that it has submitted the proposed rule change because the underlying index of the Fund does not meet all of the generic listing requirements of Commentary .01(a)(A) to NYSE Arca Equities Rule 5.2(j)(3), applicable to the listing of Investment Company Units based upon an index of “US Component Stocks.” Specifically, as discussed in the Notice,⁵ options on the S&P 500 index may be Index components. Consequently, the Index is not composed entirely of US Component Stocks, and therefore the Shares do not satisfy the requirements for generic listing under Commentary .01(a)(A) to NYSE Arca Equities Rule 5.2(j)(3).

The Fund will be an index-based exchange traded fund (“ETF”). The Shares will be offered by the Trust, which is registered with the Commission as an investment company and has filed a registration statement on Form N-1A (the “Registration Statement”) with the Commission on behalf of the Fund.⁶

² 17 CFR 240.19b-4.

³ See Securities Exchange Act Release No. 79101 (October 14, 2016), 81 FR 72630 (“Notice”).

⁴ The Commission notes that additional information regarding the Fund, the Trust, and the Shares, including investment strategies, risks, creation and redemption procedures, fees, portfolio holdings disclosure policies, calculation of net asset value (“NAV”), distributions, and taxes, among other things, can be found in the Notice, and the Registration Statement, as applicable. See Notice, *supra* note 3, and Registration Statement, *infra* note 6.

⁵ See Notice, *supra* note 3, 81 FR at 72631.

⁶ The Exchange represents that, on September 1, 2016, the Trust filed a Registration Statement on Form N-1A under the Securities and Exchange Act of 1933 and the Investment Company Act of 1940 (“1940 Act”) (File Nos. 333-206600 and 811-23078). According to the Exchange, the Trust has obtained certain exemptive relief from the Commission under the 1940 Act. See Investment

The investment adviser to the Fund will be Virtus ETF Advisers LLC (“Adviser”). ETF Distributors LLC will serve as the distributor (“Distributor”) of Fund shares on an agency basis. The Bank of New York Mellon (“Administrator”) will be the administrator, custodian and transfer agent for the Fund.

A. The Fund’s Principal Investments

According to the Exchange, the Fund’s investment objective is to seek investment results that, before fees and expenses, closely correspond to the price and yield performance of the Rampart Enhanced U.S. Equity Index (“Index”).⁷ Under normal market conditions,⁸ the Fund will invest not less than 80% of its total assets in component securities of the Index. Additionally, under normal market conditions, the Fund will invest not less than 80% of its total assets in U.S. exchange-traded common stocks. The Fund will also seek to generate additional income by writing SPX call options and will seek additional capital appreciation by purchasing SPX call options.

B. The Fund’s Non-Principal Investments

While the Fund, under normal market conditions will invest at least 80% of its net assets in the securities and financial instruments described above, the Fund may invest its remaining assets in the securities and financial instruments described below.

The Fund may invest in short-term, high quality securities issued or guaranteed by the U.S. government (in addition to U.S. Treasury securities) and non-U.S. governments, and each of their agencies and instrumentalities; debt securities issued by U.S. government sponsored enterprises; repurchase

Company Act Release No. 30825 (December 11, 2013) (File No. 812-14212).

⁷ According to the Exchange, the Index was developed by Rampart Investment Management Company, LLC (“Index Provider”), and is calculated and maintained by NYSE Global Index Group (“Index Calculation Agent”). The Index Provider is affiliated with the Adviser and the Distributor. The Index Calculation Agent is not affiliated with the Adviser, Distributor, Administrator, or the Trust.

⁸ The term “normal market conditions” is defined in NYSE Arca Equities Rule 8.600(c)(5). On a temporary basis, including for defensive purposes, during the initial invest-up period and during periods of high cash inflows or outflows, the Fund may depart from its principal investment strategies; for example, it may hold a higher than normal proportion of its assets in cash. During such periods, the Fund may not be able to achieve its investment objectives. The Fund may adopt a defensive strategy when the Adviser believes securities in which the Fund normally invests have elevated risks due to political or economic factors and in other extraordinary circumstances.
