Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and

on the Department’s Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

91,637	Georgia Chair Company	Gainesville, GA.	
91,805	Greenwillow Grains, LLC	Tangent, OR.

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

DEPARTMENT OF LABOR

Employment and Training Administration

[TA-W-91,138]

Graftech International Holdings Inc., Engineered Solutions Division, A Subsidiary of Brookfield Asset Management Inc., Anmoore, West Virginia; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated November 10, 2016, the Department of Labor (Department) received a request for administrative reconsideration from a company official of the Department’s Notice of Termination of Investigation regarding workers’ eligibility to apply for Trade Adjustment Assistance applicable to workers and former workers of GrafTech International Holdings Inc., Engineered Solutions Division, a subsidiary of Brookfield Asset Management Inc., Anmoore, West Virginia (subject firm). The subject firm is engaged in activities related to the production of synthetic graphite articles, such as molds and crucibles, used in high temperature applications. The Notice was issued on November 4,

2016 and has yet to be published in the **Federal Register**.

The Department has carefully reviewed the request for reconsideration, the existing record, and the new and additional information provided by the company official, and has determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974, as amended.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor’s prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 15th day of November, 2016.
