SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–79411; File No. SR–BatsEDGX–2016–66]

Self-Regulatory Organizations; Bats EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Make Non-Substantive Changes to the Fee Schedule

November 28, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the

“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on November 18, 2016, Bats EDGX Exchange, Inc. (the “Exchange” or “EDGX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b–4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange filed a proposal to make several non-substantive changes to the fee schedule applicable to Members⁵ and non-members of the Exchange pursuant to Exchange Rules 15.1(a) and (c).

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make certain clarifying and non-substantive changes to its fee schedule in order to improve formatting, eliminate certain redundancies, increase overall readability, and provide users with straightforward descriptions to augment

overall comprehensibility and usability of the existing fee schedule. The Exchange notes that these changes are purely clerical and do not substantively amend any fee or rebate, nor do they alter the manner in which the Exchange assesses fees or calculates rebates. The proposed changes are simply intended to provide greater transparency to market participants regarding how the Exchange assesses fees and calculates rebates. Specifically, the Exchange proposes to:

- Capitalize the title of the column setting forth each tier’s rate under footnotes 1 and 2;
- ensure each tier requiring multiple criteria is conjoined using “; and” to clarify that all of a tier’s criteria must be satisfied to receive the applicable rate;
- amend the name under first column of the tiers listed under footnote 2 to simply state “Tier 1”, “Tier 2” to remove added language that is clearly set forth in and redundant with the tier’s title;
- replace the phrases “equal to or greater than” and “of at least” with “≥” in all required criteria cells under footnotes 1 and 2.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.⁶ Specifically, the Exchange believes that the proposed rule change is consistent with Sections 6(b)(4) of the Act of the Act [sic],⁷ in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls. The Exchange believes that the proposed changes are reasonable and equitable because they are intended to simplify the Exchange’s fee schedule and provide greater transparency to market participants regarding how the Exchange assesses fees and calculates rebates. The Exchange notes that these changes are purely clerical and do not substantively amend any fee or rebate, nor do they alter the manner in which the Exchange assesses fees or calculates rebates. The Exchange also believes that the proposal is non-discriminatory because it applies uniformly to all Members. Finally, the Exchange believes that the proposed changes will make the fee schedule clearer and eliminate potential investor confusion, thereby removing impediments to and
