

SWOR RAC approved the fee proposal in March of 2016, following FLREA guidelines. Copies of the business plan are available at the BLM Roseburg Office and Oregon State Office.

The BLM has found that recreation fee proposals are of a procedural nature and are not identified as major Federal actions, and are therefore excluded from environmental review under Section 102(2)(C) of the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4332(C), pursuant to 43 CFR 46.210(i). In addition, the fee proposals do not present any of the 12 extraordinary circumstances listed at 43 CFR 46.215.

The Bureau of Land Management, Roseburg District welcomes public comments on this proposal. Before including your address, phone number, email address, or other personally identifiable information in your comment, be advised that your entire comment—including your personally identifiable information—may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personally identifiable information, we cannot guarantee that we will be able to do so.

Authority: 16 U.S.C. 6803(b) and 43 CFR 2932.13.
