Estimated Total Annual Non-Hour Respondent Cost Burden: \$4.80. There are no capital start-up, maintenance, or recordkeeping costs associated with this information collection. There are also no filing fees for submitting a tribal insignia for recording. However, this collection does have annual (non-hour) cost burden in the form of postage costs.

Customers may incur postage costs when submitting the information in this collection to the USPTO by mail. The USPTO estimates that the average first-class postage cost for a submission mailed through the U.S. Postal Service will be \$1.20 (based on a large 9" by 12" envelope weighing 2 ounces) and that 4 submissions will be mailed to the USPTO per year. Therefore, the total annual (non-hour) respondent cost burden for this collection is estimated to be approximately \$4.80 per year.
