**POSTAL SERVICE****Privacy Act of 1974; System of Records**

**AGENCY:** Postal Service®.

**ACTION:** Notice of establishment of new system of records; response to comments; establishment of new implementation date.

**SUMMARY:** The United States Postal Service® (Postal Service) is responding to public comments regarding the establishment of a new Customer Privacy Act System of Records (SOR) to support the Informed Delivery™ service. After its review and evaluation of such comments, the Postal Service has found that no substantive changes to the proposed system were necessary, and determined that implementation of the system should proceed.

**DATES:** Originally scheduled for September 26, 2016, the implementation of this SOR was delayed in its entirety until further notice to allow for the consideration of public comments pursuant to a notice published on October 3, 2016. After a review these comments, the Postal Service has determined that no substantive changes to the SOR are required, and that the implementation of the system should proceed, effective December 9, 2016.

**FOR FURTHER INFORMATION CONTACT:** Janine Castorina, Chief Privacy Officer, Privacy and Records Office, United States Postal Service, 475 L'Enfant Plaza SW., Room 1P830, Washington, DC 20260–0004, telephone 202–268–3069, or [privacy@usps.gov](mailto:privacy@usps.gov).

**SUPPLEMENTARY INFORMATION:** On August 25, 2016, the Postal Service published notice of its intent to establish a new system of records to support an expansion of its Informed Delivery™ service (81 FR 58542). (Informed Delivery is a digital service that allows enrolled users to receive an email notification that contains grayscale images of the outside of their letter-sized mailpieces processed by USPS automation equipment prior to delivery. This service is offered at no cost to the consumer.)

In response to this notice, we received comments that generally supported the concept of the new SOR, but expressed desire for more specific information regarding the types of data to be collected by the system, and the potential uses (or abuses) of that information. On October 3, 2016, the Postal Service published a further notice suspending the implementation date of the new SOR to allow consideration of these matters (81 FR 68067).
