SUPPLEMENTARY INFORMATION:

I. Background Information

From March 8 through April 8, 2016, more than 3 dozen parishes in Louisiana

experienced severe storms and flooding. A Major Disaster Declaration covering these parishes¹ was issued on March 13, 2016 (MDD 4263). From August 11 through August 31, 2016, severe storms and flooding affected nearly 2 dozen parishes. A Major Disaster Declaration for these parishes² was issued on August 14, 2016 (MDD 4277). Seven parishes were included in both the March and August Major Disaster Declarations.³ The notice covers Major Disaster Declarations (MDDs) 4263 and 4277,⁴ issued on March 13, 2016, and August 14, 2016, respectively.

In order to provide relief from certain HUD requirements governing programs administered by the Office of Public and Indian Housing (PIH) to PHAs that are located in areas covered by MDD(s) 4263 and/or 4277 (MDD PHAs), HUD is publishing this notice. The notice describes a number of flexibilities that are available to such PHAs, lists HUD requirements that HUD is willing to waive upon request from a PHA, and provides for the expedited review of waiver requests. HUD is publishing this notice to assist MDD PHAs in responding to these major disaster declarations and in contributing to long-term recovery.

The notice is organized as follows:

- Section II opens with a description of flexibilities that are available to MDD PHAs, where such flexibilities are built into statute and/or regulation. MDD PHAs may avail themselves of these flexibilities, following the process described in Section IV of the notice.
- Section III describes certain HUD requirements that, if waived, may facilitate an MDD PHA's ability to participate in relief and recovery efforts. An MDD PHA may request a waiver of a HUD requirement not listed in Section III and receive expedited review of the request if the MDD PHA demonstrates that the waiver is needed in order to assist in its relief and recovery efforts.
