Under FY 2017 authority, which is contingent upon Congressional authorization, Bond Documents and Bond Loan documents must be executed, and Guarantees will be provided, in the order in which Guarantee Applications are approved or by such other criteria that the CDFI Fund may establish, in its sole discretion, and in any event by September 30, 2017.

Executive Summary: This NOGA is published in connection with the CDFI Bond Guarantee Program, administered by the Community Development Financial Institutions Fund (CDFI Fund), the U.S. Department of the Treasury (Treasury). Through this NOGA, the CDFI Fund announces the availability of up to \$1 billion of Guarantee Authority in FY 2017, contingent upon Congressional authorization. This NOGA explains application submission and evaluation requirements and processes, and provides agency contacts and information on CDFI Bond Guarantee Program outreach. Parties interested in being approved for a Guarantee under the CDFI Bond Guarantee Program must submit Qualified Issuer Applications and Guarantee Applications for consideration in accordance with this NOGA. Capitalized terms used in this NOGA and not defined elsewhere are defined in the CDFI Bond Guarantee Program regulations (12 CFR 1808.102) and the CDFI Program regulations (12 CFR 1805.104).

I. Guarantee Opportunity Description

A. Authority. The CDFI Bond Guarantee Program was authorized by the Small Business Jobs Act of 2010 (Pub. L. 111-240; 12 U.S.C. 4713a) (the Act). Section 1134 of the Act amended the Riegle Community Development and

Regulatory Improvement Act of 1994 (12 U.S.C. 4701, *et seq.*) to provide authority to the Secretary of the Treasury (Secretary) to establish and administer the CDFI Bond Guarantee Program.

B. Bond Issue size; Amount of Guarantee authority. In FY 2017, the Secretary may guarantee Bond Issues having a minimum Guarantee of \$100 million each, up to an aggregate total of \$1 billion, contingent upon Congressional authorization.

C. Program summary. The purpose of the CDFI Bond Guarantee Program is to support CDFI lending by providing Guarantees for Bonds issued for Eligible Community or Economic Development Purposes, as authorized by section 1134 and 1703 of the Act. The Secretary, as the Guarantor of the Bonds, will provide a 100 percent Guarantee for the repayment of the Verifiable Losses of Principal, Interest, and Call Premium of Bonds issued by Qualified Issuers. Qualified Issuers, approved by the CDFI Fund, will issue Bonds that will be purchased by the Federal Financing Bank. The Qualified Issuer will use 100 percent of Bond Proceeds to provide Bond Loans to Eligible CDFIs, which will use Bond Loan proceeds for Eligible Community and Economic Development Purposes, including providing Secondary Loans to Secondary Borrowers.

D. Review of Guarantee Applications, in general.

1. Qualified Issuer Applications submitted with Guarantee Applications will have priority for review over Qualified Issuer Applications submitted without Guarantee Applications. With the exception of the aforementioned prioritized review, all Qualified Issuer Applications and Guarantee Applications will be reviewed by the CDFI Fund on an ongoing basis, in the order in which they are received, or by such other criteria that the CDFI Fund may establish in its sole discretion.

2. Guarantee Applications that are incomplete or require the CDFI Fund to request additional or clarifying information may delay the ability of the CDFI Fund to move the Guarantee Application to the next phase of review. Submitting an incomplete Guarantee Application earlier than other applicants does not ensure first approval.

3. Qualified Issuer Applications and Guarantee Applications that were received in FY 2016 and that were neither withdrawn nor declined in FY 2016 will be considered under FY 2017 authority.

4. Pursuant to the Regulations at 12 CFR 1808.504(c), the Guarantor may limit the number of Guarantees issued
