SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79661; File No. SR-BX-2016-068]

Self-Regulatory Organizations; NASDAQ BX, Inc.; Notice of Filing of Proposed Rule Change, as Modified by Amendment No. 1 Thereto, To Permit BX To Accept Inbound Options Orders Routed by Nasdaq Execution Services LLC

December 22, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 9, 2016, NASDAQ BX, Inc. ("BX" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change. On December 20, 2016, the Exchange filed Amendment No. 1 to the proposed rule change, which amended and replaced the original filing in its entirety. The proposed rule change, as modified by Amendment No. 1, is described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change, as modified by Amendment No. 1 thereto, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to permit BX to accept inbound options orders routed by Nasdaq Execution Services LLC ("NES") from the International Securities Exchange, LLC ("ISE") ISE Gemini, LLC ("ISE Gemini") and ISE Mercury, LLC ("ISE Mercury") (collectively "ISE Exchanges").

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

In conjunction with the ISE Exchanges seeking approval to provide outbound routing services to all options markets using an affiliated routing broker, NES,³ BX proposes that NES be permitted to route orders from the ISE Exchanges to BX, subject to certain limitations and conditions, as described below.

NES is a broker-dealer and member of The Nasdaq Options Market LLC ("NOM"), Nasdaq Phlx LLC ("Phlx") and BX (collectively "Nasdaq Exchanges"). NES provides all routing functions for the Nasdaq Exchanges. The Nasdaq Exchanges and NES are permitted affiliates.⁴ Accordingly, the affiliate relationship between BX and NES, its member, raises the issue of an exchange's affiliation with a member of such exchange. Specifically, in connection with prior filings, the Commission has expressed concern that the affiliation of an exchange with one of its members raises the potential for unfair competitive advantage and potential conflicts of interest between

an exchange's self-regulatory obligations and its commercial interests.⁵

Specifically, in connection with prior filings, the Commission has expressed concern that the affiliation of an exchange with one of its members raises the potential for unfair competitive advantage and potential conflicts of interest between an exchange's self-regulatory obligations and its commercial interests.⁶ The Nasdaq Exchanges received approval from the Commission to permit NES to become a member of these three markets subject to certain limitations and conditions in order to perform certain routing and other functions, respectively.⁷ Also recognizing that the Commission has expressed concern regarding the potential for conflicts of interest in instances where a member firm is affiliated with an exchange to which it is routing orders, the Nasdaq Exchanges previously proposed, and the Commission approved,⁸ NES's affiliation with the Nasdaq Exchanges to permit the Exchange to accept inbound

orders that NES routes in its capacity as a facility from other Nasdaq Exchanges, subject to the certain limitations and conditions. BX now proposes to permit BX to accept inbound options orders that NES routes in its capacity as a facility of the ISE Exchanges, subject to the following limitations and conditions:⁹

- First, the Exchange and FINRA maintain a Regulatory Services Agreement (“RSA”), as well as an agreement pursuant to Rule 17d–2 under the Act (“17d–2 Agreement”).¹⁰ Pursuant to the RSA and the 17d–2 Agreement, FINRA is allocated regulatory responsibilities to review NES’s compliance with certain Exchange rules.¹¹ Pursuant to the RSA, however, BX retains ultimate responsibility for enforcing its rules with respect to NES.
- Second, FINRA monitors NES for compliance with the Exchange’s trading rules, and collects and maintains certain related information.¹²
- Third, FINRA provides a report to the Exchange’s chief regulatory officer (“CRO”), on a quarterly basis, that: (i) Quantifies all alerts (of which the Exchange or FINRA is aware) that identify NES as a participant that has potentially violated Commission or Exchange rules, and (ii) lists all investigations that identify NES as a participant that has potentially violated Commission or Exchange rules.
- Fourth, BX has in place BX Rule 2140(c), which requires Nasdaq, Inc., as

the holding company owning both the Exchange and NES, to establish and maintain procedures and internal controls reasonably designed to ensure that NES does not develop or implement changes to its system, based on non-public information obtained regarding planned changes to the Exchange’s systems as a result of its affiliation with the Exchange, until such information is available generally to similarly situated Exchange members, in connection with the provision of inbound order routing to the Exchange.¹³

The Exchange has met all the above-listed conditions in connection with NES routing in its capacity as a facility of NOM and Phlx. By meeting the above conditions, the Exchange has set up mechanisms that protect the independence of the Exchange’s regulatory responsibility with respect to NES, as well as demonstrate that NES cannot use any information advantage it may have because of its affiliation with the Exchange. Because the Exchange has met all the above-listed conditions, it now seeks to permit an inbound routing relationship with the ISE Exchanges pursuant to the same conditions. The Exchange will continue to comply with the four conditions stated above.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,¹⁴ in general, and with Sections 6(b)(5) of the Act,¹⁵ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest, because the proposed rule change will allow the Exchange to continue to receive inbound orders from NES, acting in its capacity as a facility of Phlx and NOM, in a manner consistent with prior approvals and established protections

and will further be permitted to receive inbound orders from the ISE Exchanges, for which NES will also act in its capacity as a facility of those markets. The Exchange believes that the proposed conditions establish mechanisms that protect the independence of the Exchange’s regulatory responsibility with respect to NES, as well as ensure that NES cannot use any information it may have because of its affiliation with the Exchange, or affiliation with other Nasdaq Exchanges or ISE Exchanges, to its advantage.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Permitting BX to receive inbound orders from the ISE Exchanges does not create any issues of intra-market competition because it involves inbound routing from affiliated markets. Nor does it result in a burden on competition among exchanges, because there are many competing options exchanges that provide routing services, including through an affiliate.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission shall: (a) by order approve or disapprove such proposed rule change, or (b) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as modified by Amendment No. 1, is consistent with the Act. Comments may be submitted by any of the following methods:

⁹ The Exchange notes that similar filings are proposed for the Nasdaq and Phlx markets. See SR–Nasdaq–2016–169 and SR–Phlx–2016–120 (not published).

¹⁰ 17 CFR 240.17d–2. FINRA reviews NES’ compliance for certain common rules. The RSA with FINRA specifies the types of business activities that NES may undertake and it also indicates the obligations to which NES is subject under the RSA. Among other things, NES must maintain a certain amount of net capital pursuant to SEC Rule 15c3–1(a)(1)(ii) and operate pursuant to SEC Rule 15c3–3(k)(2)(ii). NES is permitted to route orders in options to the appropriate market center for execution in accordance with member order and requirements.

¹¹ NES is also subject to independent oversight by FINRA, its designated examining authority, for compliance with financial responsibility requirements.

¹² Pursuant to the RSA, both FINRA and BX collect and maintain all alerts, complaints, investigations and enforcement actions in which NES (in its capacity as a facility of Phlx and NOM routing orders to BX) is identified as a participant that has potentially violated applicable Commission or Exchange rules. The Exchange and FINRA retain these records in an easily accessible manner in order to facilitate any potential review conducted by the Commission’s Office of Compliance Inspections and Examinations. Pursuant to the RSA, the Exchange and FINRA would be required to perform these activities with respect to NES acting in its capacity as a facility of each of the affiliated entities routing orders to BX.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79678; File No. SR-NYSEArca-2016-167]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing of Proposed Rule Change in Connection With the Proposed Acquisition of National Stock Exchange, Inc. by the Exchange's Parent the NYSE Group, Inc. To Amend Certain Organizational Documents of NYSE Group, NYSE Holdings LLC, Intercontinental Exchange Holdings, Inc., and Intercontinental Exchange, Inc.

December 22, 2016.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on December 16, 2016, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes in connection with the proposed acquisition of National Stock Exchange, Inc. ("NSX") by the Exchange's parent the NYSE Group, Inc. ("NYSE Group"), to amend certain organizational documents of NYSE Group, NYSE Holdings LLC ("NYSE Holdings"), Intercontinental Exchange Holdings, Inc. ("ICE Holdings"), and Intercontinental Exchange, Inc. ("ICE"). The proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at

the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Background

On December 14, 2016, ICE entered into an agreement with the NSX pursuant to which its wholly-owned subsidiary NYSE Group would acquire all of the outstanding capital stock of the NSX (the "Acquisition"). As a result of the Acquisition, the NSX would be renamed NYSE National, Inc. ("NYSE National") and would be operated as a wholly-owned subsidiary of NYSE Group. NYSE Group is a wholly-owned subsidiary of NYSE Holdings, which is in turn 100% owned by ICE Holdings. ICE, a public company listed on the New York Stock Exchange LLC (the "NYSE"), owns 100% of ICE Holdings.

Following the Acquisition, NYSE National would continue to be registered as a national securities exchange and as a separate self-regulatory organization ("SRO"). As such, NYSE National would continue to have separate rules, membership rosters, and listings that would be distinct from the rules, membership rosters, and listings of the three other registered national securities exchanges and SROs owned by NYSE Group, namely, the NYSE, NYSE MKT and the Exchange (together, the "NYSE Exchanges").⁴

In connection with the Acquisition and as discussed more fully below, the following organizational documents of NYSE Group and its intermediary and ultimate parent entities would be amended:

- ICE bylaws and director independence policy,
- ICE Holdings bylaws and certificate of incorporation,
- NYSE Holdings operating agreement, and
- NYSE Group bylaws and certificate of incorporation.

These proposed changes would consist of technical and conforming amendments to reflect the proposed new ownership of NYSE National by the NYSE Group, and, indirectly, ICE.⁵

⁴ The NYSE Exchanges are referred to as the U.S. Regulated Subsidiaries in the corporate documents proposed to be amended in this rule filing.

⁵ The proposed revisions are also discussed in the NYSE and NYSE MKT companion rule filings related to the Acquisition. See SR-NYSE-2016-90 & SR-NYSEMKT-2016-122.
