The areas described aggregate 340,079  
acres of National Forest System lands in  
Okanogan County, Washington.

Non-Federal mineral lands located  
within the boundaries of the proposed  
withdrawal areas will not be affected.

Licenses, permits, cooperative  
agreements, or discretionary land use  
authorizations of a temporary nature  
that will not significantly impact the  
values to be protected by the  
withdrawal may be allowed with the  
approval of the authorized FS officer  
during the temporary segregation  
period. FS surface occupancy  
regulations will not adequately  
constrain land uses allowed under the  
General Mining Law (as amended) and  
the Mineral Leasing Act of 1920 (as  
amended).

There are no suitable alternative sites  
for the withdrawal.

No water rights would be needed to  
fulfill the purpose of the requested  
withdrawal.

Records related to the application  
may be examined by contacting Jacob  
Childers, BLM Oregon/Washington  
State Office at the address or phone  
number listed above.

For a period until March 30, 2017, all  
persons who wish to submit comments,  
suggestions, or objections in connection  
with the proposed withdrawal may  
present their views in writing to the  
BLM Oregon/Washington State Office,  
State Director at the address indicated  
above. Information regarding the  
withdrawal application will be available  
for public review at the BLM Oregon  
State Office, 1220 SW 3rd Avenue,  
Portland, OR 97204 and at the

Okanogan-Wenatchee National Forest,  
215 Melody Lane, Wenatchee, WA  
98801 during regular business hours,  
8:45 a.m. to 4:30 p.m. Monday through  
Friday, except Federal holidays. Before  
including your address, phone number,  
email address, or other personal  
identifying information in your  
comment, you should be aware that  
your entire comment—including your  
personal identifying information—may  
be made publicly available at any time.  
Individuals who submit written  
comments may request confidentiality  
by asking us in your comment to  
withhold your personal identifying  
information from public review;  
however, we cannot guarantee that we  
will be able to do so.

Notice is hereby given that a  
minimum of at least one public meeting  
will be held in conjunction with the  
withdrawal application. A notice of the  
time and place will be published in the  
**Federal Register** and a local newspaper  
at least 30 days before the scheduled  
date of any meetings.

For a period until December 31, 2018,  
subject to valid existing rights, the lands  
described in this notice will be  
segregated from settlement, sale,  
location, and entry under the public  
land laws, location and entry under the  
United States mining laws, and  
operation of the mineral and geothermal  
leasing laws, unless the application is  
denied or canceled or the withdrawal is  
approved prior to that date.

This application will be processed in  
accordance with the regulations set  
forth in 43 CFR part 2300.

**Notice of Public Meetings: Sierra  
Front-Northwestern Great Basin  
Resource Advisory Council, Nevada**

**AGENCY:** Bureau of Land Management,  
Interior.

**ACTION:** Notice of public meetings.

**SUMMARY:** In accordance with the  
Federal Land Policy and Management  
Act (FLPMA) and the Federal Advisory  
Committee Act of 1972 (FACA), the U.S.  
Department of the Interior, Bureau of  
Land Management (BLM) Sierra Front-

Northwestern Great Basin Resource Advisory Council (RAC), will hold one meeting in Nevada, in January 2017. The meeting is open to the public.

**DATES AND TIME:** January 26, 2017, at the Carson City BLM Office (5665 Morgan Mill Road) in Carson City, Nevada. A field trip will be held the same day in the afternoon within the Carson City BLM District. Approximate meeting time is 8 a.m. to 1 p.m. with a field tour in the afternoon. However, the meeting and field tour could end earlier if discussions and presentations conclude before 4 p.m. The meeting will include a public comment period at approximately 8:15 a.m. and approximately 12:15 p.m.

**FOR FURTHER INFORMATION CONTACT:** Lisa Ross, Public Affairs Specialist, Carson City District Office, 5665 Morgan Mill Road, Carson City, NV 89701, telephone: (775) 885-6107, email: [lross@blm.gov](mailto:lross@blm.gov). Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** The 15-member Council advises the Secretary of the Interior, through the BLM, on a variety of planning and management issues associated with public land management in Nevada. Topics for discussion at the meeting will include, but are not limited to:

- January 26—Review of last year's goals and assess achievements, spring/riparian management discussion and recommendations, RAC subcommittee report, and District managers' updates.

The Council may raise other topics at the meetings.

Final agendas will be posted on-line at the BLM Sierra Front-Northwestern Great Basin RAC Web site at <https://www.blm.gov/node/6214> and will be published in local and regional media sources at least 14 days before each meeting.

Individuals who need special assistance such as sign language interpretation or other reasonable accommodations, or who wish to receive a copy of each agenda, may contact Lisa Ross no later than 10 days prior to each meeting.

#### Notice of Availability of the Record of Decision for the Moab Master Leasing Plan/Approved Resource Management Plan Amendments for the Moab and Monticello Field Offices, UT

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice.

**SUMMARY:** The Bureau of Land Management (BLM) announces the availability of the Record of Decision (ROD) for the Moab Master Leasing Plan (MLP)/Approved Resource Management Plan Amendments for the Moab and Monticello Field Offices (Approved Plan). On December 15, 2016, the Utah State Director signed the ROD, which constitutes the final decision of the BLM and makes the Approved Plan effective immediately.

**ADDRESSES:** Copies of the ROD and Approved Plan are available upon request, and available for public inspection at the following locations:

- Bureau of Land Management, Utah State Office, 440 West 200 South, Suite 500, Salt Lake City, Utah.
- Bureau of Land Management, Moab Field Office, 82 East Dogwood, Moab, Utah.
- Bureau of Land Management, Monticello Field Office, 365 North Main, Monticello, Utah.

The ROD and Approved Plan, together with accompanying background documents, are available online at: <http://go.usa.gov/xksyS>.

**FOR FURTHER INFORMATION CONTACT:** Brent Northrup, Project Manager, BLM Moab Field Office, 82 East Dogwood, Moab, UT 84532, telephone 435-259-2151 or email [bnorthrup@blm.gov](mailto:bnorthrup@blm.gov).

Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service at 1-800-877-8339 to contact the above individual. The Service is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** The Approved Plan is the culmination of a significant effort by the BLM and interested members of the public, community stakeholders, and other local, State, and Federal partners, to provide for responsible mineral development in balance with healthy wildlife habitat, clean air and water, and a vital recreation economy.

The Approved Plan addresses mineral leasing and development on 785,567 acres of BLM-administered land within the Moab and Monticello Field Offices. The Approved Plan amends mineral leasing decisions in portions of the existing Moab and Monticello Resource Management Plans that were completed in 2008.

The Proposed Plan was selected as the Approved Plan because it is the alternative that best balances competing considerations between outdoor recreation, iconic scenery, and development of oil/gas and potash deposits. The Approved Plan allows recreation and mineral extraction to occur in specified areas in order to minimize conflicts with resources.

The Preferred Alternative in the MLP Draft Amendment/Draft Environmental Impact Statement (EIS), with adjustments and clarifications, was carried forward as the Proposed Plan in the MLP/Final EIS released to the public on July 21, 2016. Five protest letters were received during the 30-day protest period on the Proposed Plan, which ended on August 22, 2016. The letters were addressed by the BLM Washington Office. During the Governor's Consistency Review Process, the Governor sent correspondence to the BLM on September 22, 2016, identifying alleged inconsistencies between the Proposed Plan and the State's San Juan County Energy Zone. After reviewing the information submitted, the BLM determined that the Proposed Plan is consistent with the Zone to the maximum extent practical based on the identified resource values. No modifications or corrections were made to the Approved Plan in response to the protest process and the Governor's Consistency Review. The Governor did not appeal the BLM Utah State Director's determination to the BLM Director.

The ROD does not include any implementation actions. The mineral leasing decisions in the Approved Plan are planning-level decisions and therefore are not appealable. Future implementation actions must be in conformance with the management direction in the Approved Plan; any such actions will result from future decisionmaking process(es), including appropriate environmental review.

**Authority:** 40 CFR 1506.6.

State Director.
