later than five days after the written comments are filed. Any interested party may request a hearing within 30 days of publication of this notice. Hearing requests should contain the following information: (1) The party’s name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230.
The Department intends to issue the final results of this new shipper review, which will include the results of its analysis of issues raised in any such comments, not later than 90 days after the date these preliminary results of new shipper review are issued, pursuant to section 751(a)(2)(B)(iii) of the Act.
Assessment Rates
Upon completion of the final results, pursuant to 19 CFR 351.212(b), the Department will determine, and the U.S. Customs and Border Protection ("CBP") shall assess, countervailing duties on all appropriate entries. If we proceed to a final rescission of the new shipper review, the assessment rate to which Jingmei’s entries will be subject will not be affected by this review. If we do not proceed to a final rescission of the new shipper review, pursuant to 19 CFR 351.212(b)(2), we will calculate a countervailing duty rate. We intend to instruct CBP to assess countervailing duties on all appropriate entries covered by this review if any countervailing duty rate calculated in the final results of this review is above de minimis.
Cash Deposit Requirements
Effective upon publication of the final rescission or the final results of this new shipper review, we will instruct CBP to discontinue the option of posting a bond or security in lieu of a cash deposit for entries of subject merchandise by Jingmei. If the Department proceeds to a final rescission of the new shipper review, the cash deposit rate will continue to be the all-others rate. If we issue final results of the new shipper review for Jingmei, we will instruct CBP to collect cash deposits, effective upon the publication of the final results, at the rates established therein.

These rules, including electronic filing requirements via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”), can be found at 19 CFR 351.301.

This notice serves as a reminder that any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives in these segments. The formats for the revised certifications are provided at the end of the Final Rule. The Department intends to reject factual submissions if the submitting party does not comply with the revised certification requirements.

On April 10, 2013, the Department modified two regulations related to AD/CVD proceedings: The definition of factual information (19 CFR 351.102(b)(21)), and the time limits for the submission of factual information (19 CFR 351.301). Parties are advised to review the final rule, available at http://enforcement.trade.gov/frn/2013/1304frn/2013-08227.txt, prior to submitting factual information in these segments. To the extent that other regulations govern the submission of factual information in a segment (such as 19 CFR 351.218), these time limits will continue to be applied. Parties are also advised to review the final rule concerning the extension of time limits.
