## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79713; File No. SR-NYSEARCA-2016-166]

### Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending NYSE Arca Equities Rule 7.35(d)(4)

December 30, 2016.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the "Act")<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that, on December 16, 2016, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Equities Rule 7.35(d)(4) to provide that the Exchange would not report an Official Closing Price, as defined under NYSE Arca Equities Rule 1.1(gg)(1), if there were no consolidated last-sale eligible trades on a trading day. The proposed rule change is available on the Exchange's Web site at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 15 U.S.C. 78a.

<sup>3</sup> 17 CFR 240.19b-4.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend NYSE Arca Equities Rule 7.35(d)(4) to provide that the Exchange would not report an Official Closing Price, as defined under NYSE Arca Equities Rule 1.1(gg)(1), if there were no consolidated last-sale eligible trades on a trading day. This proposed rule change would not change how the Official Closing Price would be determined and disseminated if the Exchange is unable to conduct a closing transaction in one or more securities due to a systems or technical issue, as described in NYSE Arca Equities Rules 1.1(gg)(2)-(4).

The Exchange reports an Official Closing Price to the securities information processor ("SIP") as an "M" sale condition.<sup>4</sup> As set forth in the SIP Specifications, a price reported to the SIP by an exchange under the "M" sale condition, which is called the "Market Center Official Close," is not used for purposes of determining a consolidated last sale price or the high or low price of a security and does not include any volume information. Each exchange determines what price could be reported to the SIP as its "Market Center Official Close." As provided for in Rule

<sup>4</sup> For a description of all sale conditions that are reportable to the SIP, including the "M" and "6" sale conditions, see the Consolidated Tape System Participant Communications Interface Specification, dated September 15, 2016, at 87, available here: [https://www.ctaplans.com/publicdocs/ctaplan/notifications/trader-update/cts\\_input\\_spec.pdf](https://www.ctaplans.com/publicdocs/ctaplan/notifications/trader-update/cts_input_spec.pdf), and the UTP Plan Trade Data Feed Direct Subscriber Interface Specification, dated November 2015, at 7-3, available here: <http://www.utplplan.com/DOC/utdfspecification.pdf> (together, "SIP Specifications"). A trade reported to the SIP as a Market Center Closing Trade with a "6" sale condition includes volume information, is included in the consolidated last sale, and is included in the high or low price of a security. The Exchange reports to the SIP closing auction trades of a round lot or more with a "6" sale condition.

7.35(d)(4), the Exchange publishes an Official Closing Price for all securities that trade on the NYSE Arca Marketplace. The term "Official Closing Price" is defined in Rule 1.1(gg).

The Exchange is proposing to amend NYSE Arca Equities Rule 7.35(d)(4) to provide that an Official Closing Price, as defined in NYSE Arca Equities Rule 1.1(gg)(1), would not be reported for a security if there were no consolidated last-sale eligible trades in such security on a trading day.<sup>5</sup> The Exchange does not believe that it should publish an Official Closing Price to the SIP as an "M" value if there has not been a consolidated last-sale eligible trade in a security on a trading day. For example, based on feedback from industry participants, the Exchange understands that certain market participants, such as index providers and mutual funds, follow a different method of determining a security's closing price when there have not been any last-sale eligible trades on a trading day. Under these circumstances, the Exchange understands that an Official Closing Price reported to the SIP as an "M" sale condition that differs from how an industry market participant may determine such value for its own purposes could lead to confusion if a market participant's systems read the "M" value published by the SIP that differs from their calculation.

Accordingly, this proposed rule change is intended to amend NYSE Arca Equities Rule 7.35(d)(4) to provide that the Exchange would not report an Official Closing Price, as defined in Rule 1.1(gg)(1), in a security as an "M" sale condition to the SIP if there were no consolidated last-sale eligible trades in such security on a trading day. And, as noted above, this proposed rule change would not alter how the Official Closing Price would be disseminated under NYSE Arca Equities Rules 1.1(gg)(2)-(4).

###### 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>6</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>7</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in

<sup>5</sup> The Exchange also proposes to amend NYSE Arca Equities Rule 7.35(d)(4) to provide that the Exchange would "report" an Official Closing Price, rather than "publish" an "Official Closing Price," because the SIP, and not the Exchange, publishes the Official Closing Price.

<sup>6</sup> 15 U.S.C. 78f(b).

<sup>7</sup> 15 U.S.C. 78f(b)(5).

facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system because it would provide transparency of when the Exchange's would not report a price to the SIP as an "M" sale condition. The Exchange believes that the proposed rule change is consistent with the Act because the "M" sale condition does not contribute to the consolidated last sale price for a security, the high or low price of a security, or reported volume for a security, and therefore is an informational value. The Exchange further believes that this proposed rule change is consistent with the protection of investors and the public interest because it would reduce confusion by eliminating publication to the SIP of a price that may conflict with how an index provider or mutual fund determines that value for a security if there are no consolidated last-sale eligible trades on a trading day. Finally, the Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system because it would apply only when the Exchange is fully operational. If the Exchange is unable to conduct a closing transaction due to a systems or technical issue, current NYSE Arca Equities Rule 1.1(gg)(2)–(4) would govern, with no change.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues, but rather to specify that the Exchange would not be required to report an Official Closing Price to the SIP as an "M" sale condition if there has not been a consolidated last-sale eligible trade on a trading day.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>8</sup> and Rule 19b–4(f)(6) thereunder.<sup>9</sup> Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b–4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b–4(f)(6)<sup>10</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b4(f)(6)(iii),<sup>11</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange believes that waiving the operative delay would be consistent with the protection of investors and the public interest because it would make transparent that the Exchange would not report an "M" sale condition to the SIP for a security if there has not been a last-sale eligible trade on a trading day. The Exchange further believes that the proposed rule change is consistent with the protection of investors and the public interest because it would not change how an Official Closing Price would be disseminated under NYSE Arca Equities Rules 1.1(gg)(2)–(4). The Commission believes that the proposed rule change is consistent with the protection of investors and the public interest because it clarifies the Exchange's reporting practices while maintaining its procedures for reporting and disseminating an Official Closing Price. Accordingly, the Commission hereby waives the 30-day operative

<sup>10</sup> 17 CFR 240.19b–4(f)(6).

<sup>11</sup> 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

delay and designates the proposal operative upon filing.<sup>12</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)<sup>13</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.

### **IV. Solicitation of Comments**

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79716; File No. SR-NYSEArca-2016-168]

### Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the NYSE Arca Options Fee Schedule and the NYSE Arca Equities Schedule of Fees and Charges for Exchange Services To Modify the Fees Related to Four Bundles of Co-Location Services in Connection With the Exchange's Co-Location Services

December 30, 2016.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the "Act")<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that, on December 19, 2016, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange

Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Arca Options Fee Schedule (the "Options Fee Schedule") and the NYSE Arca Equities Schedule of Fees and Charges for Exchange Services (the "Equities Fee Schedule" and, together with the Options Fee Schedule, the "Fee Schedules") to modify the fees related to four bundles of co-location services ("Partial Cabinet Solution bundles") in connection with the Exchange's co-location services. The Exchange proposes to implement the fee changes effective January 1, 2017. The proposed rule change is available on the Exchange's Web site at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend the Exchange's Fee Schedules to modify the

fees related to Partial Cabinet Solution bundles in connection with the Exchange's co-location services.<sup>4</sup> Currently, the Exchange offers Users<sup>5</sup> that purchase a Partial Cabinet Solution bundle on or before December 31, 2016 a 50% reduction in the monthly recurring charges ("MRC") for the first 12 months.<sup>6</sup> The Exchange now proposes to extend that 50% reduction until December 31, 2017. The Exchange proposes to implement the fee changes effective January 1, 2017.

The Exchange offers the four Partial Cabinet Solution bundles in order to attract smaller Users, including those with minimal power or cabinet space demands or those for which the costs attendant with having a dedicated cabinet or greater network connection bandwidth are too burdensome.<sup>7</sup> Under the proposed change, such smaller Users will be able to avail themselves of the reduction until December 31, 2017. Specifically, the Exchange proposes to modify its Fee Schedules so that they read as follows:

<sup>4</sup> The Exchange initially filed rule changes relating to its co-location services with the Securities and Exchange Commission ("Commission") in 2010. See Securities Exchange Act Release No. 63275 (November 8, 2010), 75 FR 70048 (November 16, 2010) (SR-NYSEArca-2010-100) (the "Original Co-location Filing"). The Exchange operates a data center in Mahwah, New Jersey (the "data center") from which it provides co-location services to Users.

<sup>5</sup> For purposes of the Exchange's co-location services, a "User" means any market participant that requests to receive co-location services directly from the Exchange. See Securities Exchange Act Release No. 76010 (September 29, 2015), 80 FR 60197 (October 5, 2015) (SR-NYSEArca-2015-82). As specified in the Fee Schedules, a User that incurs co-location fees for a particular co-location service pursuant thereto would not be subject to co-location fees for the same co-location service charged by the Exchange's affiliates New York Stock Exchange LLC ("NYSE LLC") and NYSE MKT LLC ("NYSE MKT" and, together with NYSE LLC, the "Affiliate SROs"). See Securities Exchange Act Release No. 70173 (August 13, 2013), 78 FR 50459 (August 19, 2013) (SR-NYSEArca-2013-80).

<sup>6</sup> See Securities Exchange Act Release No. 77070 (Feb. 5, 2016), 81 FR 7401 (Feb. 11, 2016) (SR-NYSEArca-2015-102).
