SUPPLEMENTARY INFORMATION:

OMB Control Number: 2900–0789.

Type of Review: Extension of a currently approved collection.

Abstract: Department of Veteran Affairs Dental Insurance Reauthorization Act of 2016 (Pub. L. 114–218) requires VA to establish and administer a dental insurance plan for Veterans enrolled in VA health care and survivors and dependents of Veterans eligible for VA's Civilian Health and Medical Program (CHAMPVA). Public Law 114–218 requires VA to contract with a private insurer (using the Federal contracting process) to offer dental insurance, and the private insurer will be responsible for virtually all aspects of the administration of the dental insurance program. VA's role will primarily be to form the contract with the private insurer and verify eligibility of veterans and certain survivors and dependents. Enrolled veterans and certain survivors and dependents of veterans will be required to complete an application to be enrolled in this dental insurance program, and will be required to submit certain documentation/information for certain types of disenrollment requests and for appeals of claims decisions. VA will not prescribe the form these collections are to take, but is prescribing regulations that nonetheless require these collections. These collections are required to fulfill VA's obligations under Public Law 114–218.

Affected Public: Individuals or households.

Estimated Annual Burden: 38,350.

Estimated Average Burden per Respondent: 76 minutes

Frequency of Response: Annually.

Estimated Annual Responses: 283,500.

By direction of the Secretary.

Program Specialist, Office of Privacy and Records Management, Department of Veterans Affairs.
