Title: Collection of Qualitative Feedback on Agency Service Delivery
OMB Number: 1545–2256.
Form Number: N/A.

Abstract: Executive Order 12862 directs Federal agencies to provide service to the public that matches or exceeds the best service available in the private sector. Executive Order 13571 expands on this concept to include recent developments in private sector advances in internet customer service technologies. In order to work continuously to ensure that our online products and services are effective and meet our customers' needs, The Internal Revenue Service (hereafter "the Agency") seeks to obtain OMB approval of a generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery. By routine customer feedback we mean information that focuses on the awareness, understanding, attitudes, preferences, or experiences of customers or other stakeholders relating to existing or future services or products, but are not statistical surveys that yield quantitative results that can be generalized to the population of study.

Current Actions: Extension of currently approved collection.

Type of Review: Extension request.

Affected Public: This collection of information is necessary to enable the Agency to garner customer and stakeholder feedback in an efficient, timely manner, in accordance with our commitment to improving service delivery. The information collected from our customers and stakeholders will help ensure that users have an effective, efficient, and satisfying experience with the Agency's programs. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. It will also allow feedback to contribute directly to the improvement of program management.

Estimated Number of Respondents: 1,000,050.

Estimated Time per Respondent: 1 hr., 18 min.

Estimated Total Annual Burden Hours: 266,680.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information

displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: December 28, 2016.

DEPARTMENT OF VETERANS AFFAIRS

Notice of Availability of a Record of Decision (ROD) for the Reconfiguration of VA Black Hills Health Care System (BHHCS)

AGENCY: Department of Veterans Affairs (VA).

ACTION: Notice of Availability.

SUMMARY: VA announces the availability of the ROD for the Reconfiguration of VA Black Hills Health Care System (BHHCS). The ROD states the decision to implement VA's preferred alternative as described in the Final EIS. Environmental consequences of the action are discussed in the ROD, along with the required minimization and mitigation measures.

DATES: The ROD is effective January 11, 2017.

ADDRESSES: The ROD may be viewed online at www.blackhills.va.gov/vablackhillsfuture/. Copies of the ROD are also available in the following public locations: Hot Springs; Rapid City Downtown; Sturgis; Chadron; Alliance; Lied Scottsbluff; and Pierre (Rawlins Municipal) public libraries, as well as in Pine Ridge at the Oglala Lakota College Pine Ridge Center library on the high school campus.

FOR FURTHER INFORMATION CONTACT: Staff Assistant to the Director, VA Black Hills Health Care System, 113 Comanche Road, Fort Meade, SD 57741, or by email to vablackhillsfuture@va.gov.

SUPPLEMENTARY INFORMATION: VA BHHCS provides health care to approximately 19,000 Veterans over 100,000 square miles in western South Dakota (SD), northwestern Nebraska (NE), and eastern Wyoming (WY). VA BHHCS consists of two medical centers at Fort Meade and Hot Springs, eight community-based outpatient clinics (CBOC), and six Compensated Work Therapy locations. VA BHHCS has identified a need to reconfigure the health care services to ensure it continues to provide high quality, safe, and accessible health care services across its service area. The existing locations and facilities constrain the quality of care, range of services, and access to care that VA offers in the catchment area. The Hot Springs campus includes buildings constructed in 1907 as part of the Battle Mountain Branch of the National Home for Disabled Volunteer Soldiers. The Battle Mountain Sanitarium was recognized as a National Historic Landmark in 2011.

Pursuant to NEPA, VA has identified and analyzed potential environmental
