SUPPLEMENTARY INFORMATION: As authorized by the Consolidated Appropriations Act, 2016 (Pub. L. 114-113, approved December 18, 2015), the purpose of the Rural Capacity Building for Community Development and Affordable Housing program is to fund capacity building activities performed by national rural housing organizations. Through this program, grants are made to eligible organizations to then provide training, education, support and advice to enhance the technical and administrative capabilities of rural housing development organizations, Community Development Corporations (CDCs), Community Housing Development Organizations (CHDOs), local governments and Indian tribes. Eligible organizations are defined in the NOFA as a national, non-profit entity or consortium that has on-going experience in rural housing in five or more HUD regions.

Grants may be used by eligible organizations (grantees) to assist rural organizations to improve their capacity to participate in local, regional and State planning processes such as those for the Consolidated Plan, fair housing plan and the Continuum of Care for homeless assistance. Grantees will also help rural community organizations to build their capacity to evaluate performance, work broadly with the community, cooperatively plan for the use of available resources, and to link plans with neighboring communities in order

to foster regional planning. Eligible activities to accomplish these purposes include making loans, pass-through grants, development assistance, predevelopment assistance, or other financial assistance to rural housing organizations, CDCs, CHDOs, local governments, and Indian tribes. Community development and affordable housing activities must benefit low-income and low- and moderate-income families and persons, for both housing and economic development activities. Finally, other activities as determined by the grantees in consultation with the HUD Secretary or his or her designee, may be allowed.

The FY 2016 awards announced in this Notice were selected for funding in a NOFA competition posted on the <http://www.grants.gov> Web site on July 15, 2016 for \$5,000,000. Applications were received by the deadline from twelve organizations and eight of those applications passed the initial threshold review. Those eight applications were reviewed using criteria identified in the FY2016 NOFA, with a minimum score of 75 required for funding consideration. Six of the eight applications exceeded the minimum score and were selected for funding as outlined in Appendix A.

Dated: January 4, 2017.

Harriet Tregoning,
Principal Deputy Assistant Secretary for Community Planning and Development.
