Project: Assessment of the Communities Talk: Town Hall Meetings To Prevent Underage Drinking—(OMB No. 0930-0288)—Revision

The Substance Abuse and Mental Health Services Administration/Center for Substance Abuse Prevention (SAMHSA/CSAP) is requesting a revision from the Office of Management and Budget (OMB) of the information collection regarding the Assessment of the Communities Talk: Town Hall Meetings to Prevent Underage Drinking. The current data collection has approval under OMB No. 0930-0288, Assessment of the Town Hall Meetings on Underage Drinking Prevention, which expires on January 31, 2017. Revisions were made to the two existing data collection instruments: the Organizer Survey and the Participant Form (English and Spanish versions). SAMHSA is requesting to add a new data collection instrument titled the Organizer Survey—6 month Follow-up, in which hosts of the Communities Talk events will opt in to provide information on any actions that were taken as result of the Communities Talk event.

Changes

Under the current approval, the Organizer Survey consists of 30 items. Under this revision, the Organizer Survey includes 20 items about the Communities Talk event. The following table provides a summary of the proposed changes to the instrument.

Current question/item	Changes
Wording change for THM	Changed throughout to 'Communities Talk'.
q2—Location of event	Added Zip Code as a response option (new q2).
q4—Length of event	Question updated and entry field [(fill in)] (new q3).
q8—Other topics discussed (fill in)	Slight wording change of question; added the words 'non-alcohol-related' (What non-alcohol-related topics . . .); added as a secondary question to new q12.
q9—Promotion of the event	Dropped 'in the community' from the question and updated the response options (new q8).
