Title: (7 CFR part 765) Farm Loan Programs—Direct Loan Servicing—Regular.

OMB Number: 0560-0236.

Expiration Date: 05/31/2017.

Type of Request: Extension with a revision.

Abstract: FSA's Farm Loan Programs provide loans to family farmers to purchase real estate and equipment, and finance agricultural production. Direct Loan Servicing—Regular, as specified in 7 CFR part 765, provides the requirements related to routine servicing actions associated with direct loans. FSA is required to actively

supervise its borrowers and provide credit counseling, management advice and financial guidance. Additionally, FSA must document that credit is not available to the borrower from commercial credit sources in order to maintain eligibility for assistance. Information collections established in the regulation are necessary for FSA to monitor and account for loan security, including proceeds derived from the sale of security, and to process a borrower's request for subordination or partial release of security. Borrowers are required to provide financial information to determine graduation eligibility based on commercial lender standards provided to FSA.

FSA is requesting OMB approval on the estimated numbers, which are being provided currently in this request. The burden hours have been increased by 5,968 hours while the annual responses have reduced by 6,531.

For the following estimated total annual burden on respondents, the formula used to calculate the total burden hours is the estimated average time per responses multiplied by the estimated total annual of responses.
