

Assistance Assessments Initiative, FTA collaborates with Tribal Transit Leaders to review processes and identify areas in need of improvement and then assists to offer solutions to address these needs—all in a supportive and mutually beneficial manner that results in technical assistance. FTA has completed thirty assessments to date, and expects to do fifteen assessments in FY17. These assessments include discussions of compliance areas pursuant to the Master Agreement, a site visit, promising practices reviews, and technical assistance from FTA and its contractors. These workshops and assessments have received exemplary feedback from Tribal Transit Leaders and provided FTA with invaluable opportunities to learn more about Tribal Transit Leaders' perspectives so to better honor the sovereignty of tribal nations.

FTA will post information about upcoming workshops to its Web site and will disseminate information about the assessments through its regional offices. Contact information for FTA's regional offices can be found on FTA's Web site at www.transit.dot.gov/about/regional-offices. Registering in SAM and Grants.Gov

Registration in Brief

Registration takes approximately three to five business days, please allow four weeks for completion of all steps.

In order to apply for a grant, you and/or your organization must first complete the registration process in *Grants.gov*. The registration process for an Organization or an Individual can take between three to five business days or as long as four weeks if all steps are not completed in a timely manner. So please register in *Grants.gov* early.

The *Grants.gov* registration process ensures that applicants for Federal Funds have the basic prerequisites to apply for and to receive federal funds. Applicants for FTA competitive funds must:

- Have a valid DUNS number
- Have a current registration in SAM (formerly CCR)
- Register and apply in *Grants.gov*

The required registration steps are described in greater detail on *Grants.gov* Web site. The following is a link to a helpful checklist and explanations published by *Grants.gov* to assist applicants: Organization Registration Checklist. If you have not recently applied for federal funds, we

recommend that you initiate your search, registration, and application process with *Grants.gov*. Visiting the *Grants.gov* site will inform you of how to apply for grant opportunities, as well as assist you in linking to the other required registrations, *i.e.*, Dun & Bradstreet to obtain a DUNS Number, and System for Award Management (SAM).

Summary of steps (these steps are available in *Grants.gov* during registration):

Step 1: Obtain DUNS Number

Same day. If requested by phone (1-866-705-5711) DUNS is provided immediately. If your organization does not have one, you will need to go to the Dun & Bradstreet Web site at <http://fedgov.dnb.com/webform> to obtain the number.

Step 2: Register With SAM

Three to five business days or up to two weeks. If you already have a Taxpayer Identification Number (TIN), your SAM registration will take three to five business days to process. If you are applying for an Employer Identification Number (EIN) please allow up to two weeks. Ensure that your organization is registered with the System for Award Management (SAM) at <https://www.sam.gov>. If your organization is not, an authorizing official of your organization must register.

Step 3: Establish an Account in *Grants.gov*—Username & Password

Same day. Complete your Authorized Organization Representative (AOR) profile on *Grants.gov* and create your username and password. You will need to use your organization's DUNS Number to complete this step. <https://apply07.grants.gov/apply/OrcRegister>.

Step 4: *Grants.gov*—AOR Authorization

* Same day. The E-Business Point of Contact (E-Biz POC) at your organization must login to *Grants.gov* to confirm you as an Authorized Organization Representative (AOR). Please note that there can be more than one AOR for your organization. In some cases the E-Biz POC is also the AOR for an organization. *Time depends on responsiveness of your E-Biz POC.

* Please Note: *Grants.gov* gives you the option of registering as an "individual" or as an "organization." If you register in *Grants.gov* as an "Individual," your "Organization" will not be allowed to use the *Grants.gov* username and password. To apply for grants as an Organization you must register as an Organization and use that specific username and password issued during the "organization" registration process.
