Administration for Children and Families

Office of Refugee Resettlement; Statement of Organization, Functions, and Delegations of Authority

AGENCY: Administration for Children and Families, HHS.

ACTION: Notice.

SUMMARY: Statement of Organizations, Functions, and Delegations of Authority. The Administration for Children and Families (ACF) has reorganized the Office of Refugee Resettlement (ORR). Based on internal evaluation and feedback from external stakeholders related to making ORR programs more efficient, responsive, and better organized to meet ORR's statutory obligations, this reorganization aims to increase efficiencies and better align organizational structures with programmatic requirements and to increase the effectiveness of all ORR programs. To accomplish those goals, this reorganization realigns ORR's four current programmatic divisions to create two dedicated program offices, the Refugee Programs and the Unaccompanied Children Programs. Within the Unaccompanied Children Programs, it renames the Division of Children's Services to the Division of Unaccompanied Children Operations and creates two new divisions, the Division of Planning and Logistics, and the Division of Unaccompanied Children's Health. It also renames the Division of Policy to the Division of Policy and Procedures and changes the

Budget Team to the Division of Strategic Planning, Budget, and Analysis.
