SUPPLEMENTARY INFORMATION:

Certain Country Practice Reviews

The status of country practices reviews being considered as part of the 2016/2017 GSP Annual Review is described in the list of Active and Closed Country Practices Reviews, which is available on the USTR GSP Web site at <https://ustr.gov/node/6526>. This list includes previously accepted country practices petitions. The United States Trade Representative, drawing on the advice of the TPSC, has decided to close the country practices review cases in docket number USTR-2013-0012 regarding worker rights in Fiji, and docket number USTR-2013-0005 regarding worker rights in Niger, in view of progress made by the governments of Fiji and Niger, respectively, in addressing worker rights issues in those countries.

Background

The GSP program provides for the duty-free importation of designated articles when imported from designated beneficiary developing countries. The

GSP program is authorized by Title V of the Trade Act of 1974 (19 U.S.C. 2461, *et seq.*), as amended (1974 Act), and is implemented in accordance with Executive Order 11888 of November 24, 1975, as modified by subsequent Executive Orders and Presidential Proclamations.

Petitions Requesting Modifications of Product Eligibility

In a notice published in the **Federal Register** on August 25, 2016 (81 FR 58547), the Office of the U.S. Trade Representative (USTR) announced the initiation of the 2016/2017 GSP Annual Review and indicated that the interagency GSP Subcommittee of the TPSC was prepared to receive petitions to modify the list of products that are eligible for duty-free treatment under the GSP program and petitions to waive CNLs on imports of certain products from specific beneficiary countries.

The GSP Subcommittee of the TPSC has reviewed the product and CNL waiver petitions submitted in response to these announcements, and has decided to accept for review five petitions to add a product to the list of those eligible for duty-free treatment under GSP, one petition to remove a product from GSP eligibility for certain GSP beneficiary countries, and seven petitions to waive CNLs.

A list of petitions and products accepted for review is posted on the USTR Web site at <https://ustr.gov/issue-areas/preference-programs/generalized-system-preferences-gsp/current-reviews/gsp-20162017> under the title "Petitions Accepted in the 2016/2017 GSP Annual Product Review." This list also can be found at www.regulations.gov in Docket Number USTR-2016-0009. Acceptance of a petition indicates only that the TPSC found that the subject petition warranted further consideration and that a review of the requested action will take place.

The GSP Subcommittee of the TPSC invites comments in support of or in opposition to any petition that has been accepted for the 2016/2017 GSP Annual Product Review. The GSP Subcommittee of the TPSC will also convene a public hearing on these products and petitions. See below for information on how to submit a request to testify at this hearing.

Notice of Public Hearing

The GSP Subcommittee of the TPSC will hold a hearing on Wednesday, February 22, 2017 beginning at 9:30 a.m., for products and petitions accepted for the 2016/2017 GSP Annual Product Review. The hearing will be held at 1724 F Street NW., Washington,

DC 20508 and will be open to the public. A transcript of the hearing will be made available on www.regulations.gov approximately two weeks after the hearing.
