A. Funding Opportunity Announcements

For information on the types of projects funded by ANA, please refer to the following for information on current and previously funded ANA grants at <http://www.acf.hhs.gov/ana/grants>.

B. Interpretive Rules, Statements of Policy, Procedures, and Practice

1. The following is applicable to all ANA FOAs published beginning in FY 2017:

a. Pre-application trainings, teleconferences, or webinars. It is

government-wide policy and practice that each FOA contain all of the detail needed for an applicant to fully understand the funding opportunity and submit a complete and compliant application. ANA has historically conducted in-person pre-application trainings through its Regional Technical Assistance (TA) Centers and now proposes possible additional pre-application teleconferences or webinars related to its FOAs beginning in FY 2017. Joining and participating in any pre-application in-person training, teleconference, or webinar is voluntary and only information provided in published FOAs will be presented. ACF policy requires that no additional information that is not already provided in the FOA can be disseminated after FOAs have been published.

Participation in any of the pre-application training or informational opportunities is voluntary and will not affect award selection. Participants will remain anonymous and, in the case of in-person training, names of participants will not be retained after the training. Opting not to participate in a pre-application in-person training, teleconference, or webinar will not affect eligibility, application scoring, or the selection process. Applicants unable to attend pre-application teleconferences or webinars will be able to access materials, recordings, or transcripts on the ANA Web site at on the Events section of the ANA Web site at <http://www.acf.hhs.gov/ana/events> after the teleconference or webinar has concluded and no later than 30 days prior to the application due date. ANA has historically posted its *Pre-Application Guide to Developing and Writing Your ANA Application* that is used in in-person pre-application meetings and will continue to do so. This resource can be found at <http://www.acf.hhs.gov/ana/resource/pre-application-training-manual>. For the dates, times, registration, and other information for scheduled pre-application in-person trainings applicants should contact the appropriate regional Training and Technical Assistance Provider at <http://www.acf.hhs.gov/ana/t-ta-regions-map>. This proposed policy and practice will be reflected in *Section I. Program Description—Pre-Application Teleconferences or Webinars* of the FOAs.

b. Application periods. ANA proposes to reduce from 90 to 60 days the time period applicants have to respond to all FY 2017 FOAs because we have determined, based on experience and feedback provided by prior applicants
