SUPPLEMENTARY INFORMATION: This ICR seeks to maintain PRA authorization for the Energy Employees Occupational Illness Compensation Program Act Forms information collection. The

OWCP is the primary agency responsible for administering the Energy Employees Occupational Illness Compensation Program Act of 2000, as amended (EEOICPA) (42 U.S.C. 7384 *et seq.*). The EEOICPA provides for timely payment of compensation to covered employees who sustained either occupational or otherwise covered illnesses incurred in the performance of duty for the Department of Energy (DOE) and certain of its contractors and subcontractors and, where applicable, survivors of such employees. The EEOICPA sets forth eligibility criteria for claimants for compensation under EEOICPA parts B and E and outlines the various elements of compensation payable from the Energy Employees Occupational Illness Compensation Fund.

Regulations 20 CFR 30.100, -101, -102, -103, -111, -112, -113, -114, -206, -207, -212, -213, -214, -215, -221, -222, -226, -231, -232, -415, -416, -417, -505, -620, -806, -905, and -907 implementing the EEOICPA contain information collection requirements covered by this ICR. The OWCP also uses this ICR to obtain PRA authorization to implement the information collection requirement found at 42 U.S.C. 7385s-11.

More specifically, the OWCP uses forms covered by this ICR to determine a claimant's eligibility for EEOICPA compensation and responses are required to obtain or retain benefits. The information collections in this ICR collect demographic, factual, and medical information needed to determine entitlement to EEOICPA benefits. Before the OWCP can pay benefits, the case file must contain medical and employment evidence showing the claimant's eligibility. The various collections covered by this ICR and the purpose of each are as follows:

Form EE-1—A living current or former employee completes the form to file a claim under parts B and/or E. The form requests information about the illness or illnesses being claimed and information about tort suits, settlements, or awards in litigation; State workers' compensation benefits; and fraud convictions that affect entitlement. This form is also available in Spanish. (20 CFR 30.100, -103, -505, and -620.)

Form EE-2—The survivor of a deceased employee uses the form to file a claim under parts B and/or E. The form requests information regarding both the survivor and the deceased employee. The form also requests information about illnesses, tort suits, settlements, or awards in litigation; State workers' compensation benefits; and fraud convictions that affect

entitlement. This form is also available in Spanish. (20 CFR 30.101, -103, -505, and -620.)

Form EE-3—The form gathers information about the employee's work history. This form is also available in Spanish. (20 CFR 30.103, -111, -113, -114, -206, -212, -214, -221, and -231.)

Form EE-4—The employee or survivor uses the form to support the claimed employment history by affidavit. This form is also available in Spanish. (20 CFR 30.103, -111, -113, -114, -206, -212, -214, -221, and -231.)

Form EE-5A—A claimant must provide supplemental employment evidence to substantiate periods of unverified employment. There is no standard form or format for the submission of this information. For purposes of identification only, this requirement has been designated Form EE-5A. (20 CFR 30.112.)

Form EE-5B—A current or former DOE contractor provides information to substantiate periods of unverified employment. There is no standard form or format for the submission of the information. For purposes of identification only, this requirement has been designated Form EE-5B. (20 CFR 30.106.)

Form EE-7—The OWCP uses this form to inform an employee, survivor, or physician of the medical evidence needed to establish a diagnosis of an occupational illness under part B or a covered illness under part E. This form is also available in Spanish. (20 CFR 30.103, -207, -215, -222, -232(a) and (b), -415, -416, and -417.)

Form EE-7A—A claimant is required to provide information about when an injury, illness, or disability is sustained because of an occupational illness under part B or a covered illness under part E. There is no standard form or format for the submission of this medical information. For purposes of identification only, this requirement has been designated Form EE-7A. (20 CFR 30.207, -215, -222, -226, and -232(c).)

Form EE-8—The OWCP sends this letter with enclosure EN-8 to a claimant to obtain information about an employee's smoking history when lung cancer due to radiation is claimed. Department of Health and Human Services (HHS) guidelines require the OWCP to ask for information regarding the employee's smoking history before the OWCP can determine the probability of causation for radiogenic lung cancer. (20 CFR 30.213.)

Form EE-9—The OWCP sends this letter with enclosure EN-9 to a claimant

to obtain information concerning the race or ethnicity of the employee when radiogenic skin cancer is claimed. HHS guidelines require the OWCP to ask for this particular information regarding the employee's race/ethnicity before the OWCP can determine the probability of causation for radiogenic skin cancer. (20 CFR 30.213.)

Form EE-10—A covered part E employee who has received an award for wage-loss and/or impairment due to a covered illness uses this form to provide information needed to support a claim for an additional award for a subsequent calendar year of wage-loss and/or any additional impairment. (20 CFR 30.102, -.103, and -.505.)

Form EE-11A—The OWCP sends this letter about impairment benefits under part E with enclosure EN-11A to a claimant to obtain medical evidence needed to support an initial award for permanent impairment due to an accepted covered illness. (20 CFR 30.905 and -.907.)

Form EE-11B—The OWCP sends this letter with enclosure EE-11B to a part E claimant to obtain the factual and medical evidence necessary to support an initial award for wage-loss benefits due to an accepted covered illness. (20 CFR 30.806.)

Form EE-16—The OWCP sends this letter with enclosure EN-16 to a claimant to verify/obtain updated information about tort suits, settlements, or awards in litigation; State workers' compensation benefits; and fraud convictions that affect entitlement immediately prior to issuance of a recommended decision on the claim. (20 CFR 30.505 and -.620.)

Form EE-20—The OWCP sends this letter with enclosure EN-20 to a claimant to obtain financial information necessary to pay approved claims under part B or E. (20 CFR 30.505 and -.620.)
