SUPPLEMENTARY INFORMATION:

Title: Rules Relating to the Operations and Activities of Commodity Pool Operators and Commodity Trading Advisors and to Monthly Reporting by Futures Commission Merchants (OMB Control No. 3038-0005). This is a request for comment on amendment of a currently approved information collection.

Abstract: The CFTC has amended Regulation 4.22(d) to permit a CPO that meets certain requirements to present and compute required Annual Reports in accordance with specified accounting principles, standards or practices other than United States generally accepted accounting principles (U.S. GAAP). At the same time, the CFTC amended Regulation 4.27(c)(2) to permit a CPO that claims relief under Regulation 4.22(d) as amended to use the same alternative accounting principles, standards or practices in presenting and computing the financial information that the CPO is required to report on a quarterly basis to the CFTC in Form CPO-PQR. The instructions to Form CPO-PQR, however, specify that all financial information in the form must be presented and computed in accordance with U.S. GAAP. Accordingly, the CFTC proposed to amend the instructions to Form CPO-PQR to permit use of alternative accounting principles, standards or practices by CPOs that claim relief under Regulation 4.22(d), as amended.

With respect to the collection of information, the CFTC sought comments on whether the proposed amendment to Collection 3038-0005 is necessary for the proper performance of the functions of the CFTC, including whether the information will have a practical use, and whether the proposed amendment will increase the burden on CPOs who are required to file Form CPO-PQR. The Commission did not receive any comments on the 60-day **Federal Register** notice, 81 FR 85209, dated November 25, 2016.

Burden Statement: The Commission is not revising its estimate of the burden for this collection as a result of the amendment to the instructions to Form CPO-PQR because the requirements to provide financial information remains substantively unchanged. There are no capital costs or operating and maintenance costs associated with the collection.

Authority: 44 U.S.C. 3501 *et seq.*

Dated: January 19, 2017.

Robert N. Sidman,

Deputy Secretary of the Commission.
