

Environmental Protection Agency ("EPA") for OU2, pay EPA's interim response costs (response costs incurred from September 30, 2015 to the date the Consent Decree is approved by the Court), and pay future oversight costs of both EPA and the State of Rhode Island. The 69 Settling *De Minimis* Defendants agree to pay a total of approximately \$8.5 million to fund performance of work at OU2. The Settling *De Minimis* Federal Agencies (United States Postal Service, the United States Department of Veterans Affairs, the United States Department of Defense, and the United States Department of the Treasury (IRS)), are paying an additional \$975,000 to fund performance of the work at OU2 to resolve alleged contribution liability at OU2. The Statement of Work, included as Appendix K to the Decree, provides the framework for implementation of the cleanup plan as set forth in the Record of Decision ("ROD") signed by the Regional Administrator for Region 1 of EPA on September 8, 2015. Among other things, the selected remedy calls for the construction of a multi-layer impermeable cap over the J.M. Mills Landfill and the Nunes Parcel. The Remedial Design, Remedial Action, and Operations and Maintenance at OU2 are estimated to cost approximately \$40.3 million. Over the past decade, EPA has recovered about \$8.4 million from potentially responsible parties at OU2 that have filed for bankruptcy. EPA will make these funds available to the Settling Performing Defendants to partially fund the work. The settlement will not recover EPA's past costs related to OU2, which are about \$3.4 million.

The United States has provided all of the Settling Defendants with a covenant not to sue under Sections 106 and 107(a) of Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), and Section 7003 of Resource Conservation and Recovery Act ("RCRA"), relating to OU2. The covenant provided to the Settling Performing Defendants has a reopener for new information and unknown conditions. The covenant provided to the Settling *De Minimis* Defendants does not have a reopener for new information or unknown conditions. EPA has agreed not to take administrative action against the Settling *De Minimis* Federal agencies pursuant to Sections 106 and 107(a) of CERCLA, and Section 7003 of RCRA, relating to OU2.

The State of Rhode Island has filed a complaint related to this matter in *State of Rhode Island v. ACS Industries, Inc.*, Civil Action No. 1:17-cv-00024, and is a party to the settlement.
