II. Background

On December 20, 2016, CBP published in the **Federal Register** (81 FR 92978) an Interim Final Rule (CBP Dec. No. 16–26) that amended the CBP regulations establishing the Centers of Excellence and Expertise (“Centers”) as a permanent organizational component of the agency and transitioning certain additional trade functions to the Centers. The document solicited public comments in the interim rule, and requested that submitted comments be received by CBP on or before January 19, 2017. The effective date of the interim rule is January 19, 2017.

Extension of Comment Period

With the goal of establishing the most effective and transparent procedures as possible for CBP to establish the Centers as a permanent organizational component of the agency, CBP believes that it is very important to have as much public participation as possible in the formulation of the final rule that establishes those procedures for CBP. Therefore, CBP has decided to allow additional time for the public to submit comments on the final rule. Accordingly, the comment period is extended to March 20, 2017.

Delay of Effective Date for Importations of Certain Vehicles and Engines Subject to Federal Antipollution Emission Standards

AGENCIES: U.S. Customs and Border Protection, Department of Homeland Security; Department of the Treasury.

ACTION: Final rule; delay of effective date.

SUMMARY: On December 27, 2016, U.S. Customs and Border Protection (CBP) published a Final Rule in the **Federal Register** announcing amendments to CBP regulations relating to the importation into the United States of certain vehicles and engines under the Clean Air Act (CAA) in order to harmonize the documentation requirements applicable to different classes of vehicles and engines that are subject to the CAA’s emission standards. That document further amended the regulations to permit importers to file the required U.S. Environmental Protection Agency (EPA) Declaration Forms with CBP electronically, and amended non-substantive provisions to update regulatory citations and delete obsolete provisions. The changes announced in that Final Rule were to be effective January 26, 2017. This notice announces that the effective date of the Final Rule is delayed for 60 days from January 20, 2017.

DATES: This regulation is effective January 25, 2017. The effective date of the rule amending 19 CFR part 12 published at 81 FR 94974, December 27, 2016 is delayed until March 21, 2017.

FOR FURTHER INFORMATION CONTACT: For questions related to the filing of EPA forms with CBP, please contact William Scopa, Partner Government Agencies Interagency Collaboration Division, Office of Trade, Customs and Border Protection, at *William.R.Scopa@cbp.dhs.gov*. For questions related to EPA’s vehicle and engine imports program, please contact Holly Pugliese at *pugliese.holly@epa.gov*.

SUPPLEMENTARY INFORMATION: On December 27, 2016, U.S. Customs and Border Protection (CBP) published a Final Rule in the **Federal Register** (81

FR 94974) announcing the amendment of CBP regulations relating to the importation into the United States of certain vehicles and engines under the Clean Air Act (CAA) in order to harmonize the documentation requirements applicable to different classes of vehicles and engines that are subject to the CAA’s emission standards. The document further amended the regulations to permit importers to file the required U.S. Environmental Protection Agency (EPA) Declaration Forms with CBP electronically, and amended non-substantive provisions to update regulatory citations and delete obsolete provisions. The rule was to become effective on January 26, 2017.

On January 20, 2017, the Chief of Staff of the White House released a memorandum to ensure that the President’s appointees or designees have the opportunity to review any new or pending regulations. The memorandum asks the heads of executive departments and agencies to temporarily postpone the effective date for 60 days from the date of the memorandum of all regulations that had been published in the **Federal Register**, but had not taken effect. In light of this memo, CBP has considered whether entities affected by these final regulations will need additional time to implement new systems or internal procedural changes. To provide additional time for affected entities to become familiar with the increased flexibilities and new processes of the final regulations, CBP believes that extending the effective date until March 21, 2017 is appropriate and will furnish the affected entities with sufficient additional time.

Executive Order 12866

It has been determined that this final rule is not a significant regulatory action as defined in Executive Order 12866. Therefore, a Regulatory Assessment is not required.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required for this final rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

Administrative Procedure Act

CBP and Treasury, for good cause and the reasons cited above, including the brief length of the extension of the effective date, find that notice and solicitation of comment regarding the extension of the effective date for the final regulation are impracticable, unnecessary, or contrary to the public
