

amendments to Rule 200(g) and Rule 200(g)(2) do not contain any new record retention requirements. All registered broker-dealers that are subject to the amendments are currently required to retain records in accordance with Rule 17a-4(e)(7) under the Exchange Act.

Compliance with Rule 201 and Rule 200(g) is mandatory. We expect that the information collected pursuant to Rule 201's required policies and procedures for trading centers will be communicated to the members, subscribers, and employees (as applicable) of all trading centers. In addition, the information collected pursuant to Rule 201's required policies and procedures for trading centers will be retained by the trading centers and will be available to the Commission and SRO examiners upon request, but not subject to public availability. The information collected pursuant to Rule 201's broker-dealer provision and the riskless principal exception will be retained by the broker-dealers and will be available to the Commission and SRO examiners upon request, but not subject to public availability. The information collected pursuant to the "short exempt" marking requirements in Rule 200(g) and Rule 200(g)(2) will be submitted to trading centers and will be available to the Commission and SRO examiners upon request. The information collected pursuant to the "short exempt" marking requirement may be publicly available because it may be published, in a form that would not identify individual broker-dealers, by SROs that publish on their Web sites aggregate short selling volume data in each individual equity security for that day and, on a one-month delayed basis, information regarding individual short sale transactions in all exchange-listed equity securities.

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Listing and Trading of the Shares of the Gabelli All Cap NextShares of the Gabelli NextShares Trust

January 23, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 9, 2017, The NASDAQ Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by Nasdaq. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Nasdaq proposes a proposed rule change with respect to the Gabelli All Cap NextShares (the "Fund"), a series of Gabelli NextShares Trust (the "Trust").

The proposed rule change is being filed to reflect a proposed revision to the Fund's name and modify its proposed investments (which are set forth in an order previously granted by the Commission³). All capitalized terms referenced but not defined herein have the same meaning as in the Prior Release.

The text of the proposed rule change is available at <http://>

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The shares of the Fund will be offered by the Trust. The Trust is registered with the Commission as an open-end investment company and has filed a registration statement on Form N-1A ("Registration Statement") with the Commission.⁴ The Fund is a series of the Trust.

The Commission previously approved the listing and trading on the Exchange of the shares of the Fund under Nasdaq Rule 5745, which governs the listing and trading of NextSharesTM on the Exchange.⁵ The shares of the Fund have not commenced trading on the Exchange.

In this proposed rule change, the Exchange proposes to change the Fund's name and modify its proposed investments.⁶ As stated in the Prior Release, the Fund is named Gabelli All Cap NextShares and, under normal market conditions, will invest at least 80% of its net assets plus borrowings for investment purposes in common stocks and preferred stocks of companies of all capitalization ranges that are listed on a recognized securities exchange or similar market. The Fund may also

⁴ See Registration Statement on Form N-1A for the Gabelli NextShares Trust dated November 17, 2016 (File Nos. 333-211881 and 811-23160).

⁵ The Commission approved Nasdaq Rule 5745 in Securities Exchange Act Release No. 34-73562 (November 7, 2014), 79 FR 68309 (November 14, 2014) (SR-NASDAQ-2014-020).

⁶ The changes described herein will be reflected in a revised prospectus and statement of additional information for the Fund to be filed with the Commission. The changes described herein will not be implemented until such proposed rule change is declared operative.

invest in common and preferred securities of foreign issuers.

As proposed, the Fund will be renamed Gabelli Food of All Nations NextShares and, under normal market conditions, will invest at least 80% of its net assets, plus borrowings for investment purposes, in common stocks and preferred stocks of domestic and foreign companies of all capitalization ranges in the food and beverages industries.

Beyond the changes described above, there are no changes to any other information included in the Prior Release; and all other facts presented and representations made in the Prior Release remain true and in effect. The Trust confirms that the Fund will continue to comply with all initial and continued listing requirements under Nasdaq Rule 5745.

2. Statutory Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act, in general, and Section 6(b)(5) of the Act, in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and in general, to protect investors and the public interest. The Fund will continue to comply with all the initial and continued listing requirements under Nasdaq Rule 5745.

The Exchange believes that the proposed rule change to change the Fund's name and to modify its proposed investments does not alter any of the arguments contained in the Prior Release in support of the original approval order that permitted the listing and trading of shares of the Fund and all other representations made in the Prior Release remain unchanged. The Exchange believes this proposed rule change is consistent with the Exchange's efforts to protect investors and the public interest through the disclosure of updated and correct information regarding the Fund.

For the above reasons, Nasdaq believes the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. In fact, the

Exchange believes that the introduction of the Fund will promote competition by making available to investors an actively managed investment strategy in a structure that offers the cost and tax efficiencies and shareholder protections of ETFs, while removing the requirement for daily portfolio holdings disclosure to ensure a tight relationship between market trading prices and NAV.

Moreover, the Exchange believes that the proposed method of trading in NextShares will provide investors with transparency of trading costs, and the ability to control trading costs using limit orders, that is not available for conventionally traded ETFs.

These developments could significantly enhance competition to the benefit of the markets and investors.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)⁷ of the Act and Rule 19b-4(f)(6) thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
