DEPARTMENT OF ENERGY

10 CFR Part 820

[Docket No. EA-RM-16-PRDNA]

RIN 1992-AA52

Procedural Rules for DOE Nuclear Activities

AGENCY: Office of Enterprise Assessments, Office of Enforcement, Office of Nuclear Safety Enforcement, Department of Energy.

ACTION: Final rule; stay of regulations.

SUMMARY: This document stays DOE regulations for the assessment of civil penalties against certain contractors and subcontractors for violations of the prohibition against an employee who reports violations of law, mismanagement, waste, abuse or dangerous/unsafe workplace conditions, among other protected activities, concerning nuclear safety.

DATES: Effective January 31, 2017, 10 CFR 820.2 (the definition for “DOE Nuclear Safety Requirements”), 820.14, 820.20(a) and (b), and appendix A to part 820, section XIII, are stayed until March 21, 2017.

FOR FURTHER INFORMATION CONTACT:

Steven Simonson, U.S. Department of Energy, Office of Enterprise Assessments/Germantown Building, 1000 Independence Ave. SW., Washington, DC 20585-1290. Phone: (301) 903-2816. Email: Steven.Simonson@hq.doe.gov.

K.C. Michaels, U.S. Department of Energy, Office of the General Counsel, 1000 Independence Ave. SW., Washington, DC 20585-0121. Phone: (202) 586-3430. Email: Kenneth.Michaels@hq.doe.gov.

SUPPLEMENTARY INFORMATION: On January 20, 2017, the Assistant to the President and Chief of Staff (“Chief of Staff”) issued a memorandum, published in the **Federal Register** on January 24, 2017 (82 FR 8346), outlining the President’s plan for managing the Federal regulatory process at the outset of the new Administration. In implementation of one of the measures directed by that memorandum, the United States Department of Energy (“DOE”) hereby temporarily stays regulations in its final rule amending its procedural rules for DOE nuclear

activities published in the **Federal Register** on December 27, 2016. See 81 FR 94910. In the December 27 rule, DOE clarified that the Department may assess civil penalties against certain contractors and subcontractors for violations of the prohibition against retaliating against an employee who reports violations of law, mismanagement, waste, abuse, or dangerous/unsafe workplace conditions, among other protected activities, concerning nuclear safety (referred to as “whistleblowers”). Specifically, DOE clarified the definition of “DOE Nuclear Safety Requirements” and clarified that the prohibition against whistleblower retaliation is a DOE Nuclear Safety Requirement to the extent that it concerns nuclear safety. Consistent with the memorandum, DOE is temporarily staying regulations in the final rule by an additional 60 days starting from January 20, 2017. The temporary 60-day stay is necessary to give DOE officials the opportunity for further review and consideration of new regulations, consistent with the Chief of Staff’s memorandum of January 20, 2017.

To the extent that 5 U.S.C. 553 applies to this action, it is exempt from notice and comment because it constitutes a rule of procedure under 5 U.S.C. 553(b)(A). Alternatively, DOE’s implementation of this action without opportunity for public comment, effective immediately upon publication in the **Federal Register**, is based on the good cause exceptions in 5 U.S.C. 553(b)(B) and 553(d)(3). Pursuant to 5 U.S.C. 553(b)(B), DOE has determined that good cause exists to forego the requirement to provide prior notice and an opportunity for public comment thereon for this rule as such procedures would be impracticable, unnecessary and contrary to the public interest. DOE is temporarily staying this regulation pursuant to the previously-noted memorandum of the Chief of Staff and is exercising no discretion in implementing this specific provision of the memorandum.

As a result, seeking public comment on this stay is unnecessary and contrary to the public interest. It is also impracticable given that the memorandum was issued on January 20, 2017 and the previous effective date of the rule at issue was January 26, 2017. For these same reasons, DOE finds good cause to waive the 30-day delay in effective date provided for in 5 U.S.C. 553(d).

Issued in Washington, DC, on January 24, 2017.

John T. Lucas,

Acting General Counsel.

RIN 3052-AD21

Rules of Practice and Procedure; Adjusting Civil Money Penalties for Inflation

AGENCY: Farm Credit Administration.

ACTION: Final rule.

SUMMARY: This regulation implements inflation adjustments to civil money penalties (CMPs) that the Farm Credit Administration (FCA) may impose or enforce pursuant to the Farm Credit Act of 1971, as amended (Farm Credit Act), and pursuant to the Flood Disaster Protection Act of 1973, as amended by the National Flood Insurance Reform Act of 1994 (Reform Act), and further amended by the Biggert-Waters Flood Insurance Reform Act of 2012 (Biggert-Waters Act).

DATES: This regulation is effective on January 31, 2017.

Michael T. Wilson, Policy Analyst, Office of Regulatory Policy, Farm Credit Administration, McLean, VA 22102-5090, (703) 883-4124, TTY (703) 883-4056, or Autumn Agans, Attorney-Advisor, Office of General Counsel, Farm Credit Administration, McLean, VA 22102-5090, (703) 883-4082, TTY (703) 883-4056.

SUPPLEMENTARY INFORMATION:

I. Objective

The objective of this regulation is to adjust the maximum CMPs for inflation through a final rulemaking to retain the deterrent effect of such penalties.

II. Background

A. Introduction

Section 3(2) of the 1990 Act, as amended, defines a civil monetary penalty¹ as any penalty, fine, or other sanction that: (1) Either is for a specific monetary amount as provided by

¹ Note: While the 1990 Act, as amended by 1996 and 2015 Acts, uses the term “civil monetary penalties” for these penalties or other sanctions, the Farm Credit Act and the FCA Regulations use the term “civil money penalties.” Both terms have the same meaning. Accordingly, this rule uses the term civil money penalty, and both terms may be used interchangeably.

Federal law or has a maximum amount provided for by Federal law; (2) is assessed or enforced by an agency pursuant to Federal law; and (3) is assessed or enforced pursuant to an administrative proceeding or a civil action in the Federal courts.²

The FCA imposes and enforces CMPs through the Farm Credit Act and the Flood Disaster Protection Act of 1973, as amended. FCA's regulations governing CMPs are found in parts 622 and 623. Part 622 establishes rules of practice and procedure applicable to formal and informal hearings held before the FCA, and to formal investigations conducted under the Farm Credit Act. Part 623 prescribes rules with regard to persons who may practice before the FCA and the circumstances under which such persons may be suspended or debarred from practice before the FCA.

B. CMPs Issued Under the Farm Credit Act

The Farm Credit Act provides that any Farm Credit System (System) institution or any officer, director, employee, agent, or other person participating in the conduct of the affairs of a System institution who violates the terms of a cease-and-desist order that has become final pursuant to section 5.25 or 5.26 of the Farm Credit Act must pay up to a maximum daily amount of \$1,000³ during which such violation continues. This CMP maximum was set by the Farm Credit Amendments Act of 1985, which amended the Farm Credit Act. Orders issued by the FCA under section 5.25 or 5.26 of the Farm Credit Act include temporary and permanent cease-and-desist orders. In addition, section 5.32(h) of the Farm Credit Act provides that any directive issued under sections 4.3(b)(2), 4.3A(e), or 4.14A(i) of the Farm Credit Act "shall be treated" as a final order issued under section 5.25 of the Farm Credit Act for purposes of assessing a CMP.

Section 5.32(a) of the Farm Credit Act also states that "[a]ny such institution or person who violates any provision of the [Farm Credit] Act or any regulation issued under this Act shall forfeit and pay a civil penalty of not more than \$500⁴ per day for each day during which such violation continues." This

CMP maximum was set by the Agricultural Credit Act of 1987, which was enacted in 1988, and amends the Farm Credit Act. Current, inflation-adjusted CMP maximums are set forth in existing § 622.61 of FCA regulations.⁵

The FCA also enforces the Flood Disaster Protection Act of 1973,⁶ as amended by the National Flood Insurance Reform Act of 1994,⁷ which requires FCA to assess CMPs for a pattern or practice of committing certain specific actions in violation of the National Flood Insurance Program. The existing maximum CMP for a violation under the Flood Disaster Protection Act of 1973 is \$2,000.⁸

C. Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015

1. In General

The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Debt Collection Improvement Act of 1996 (1996 Act) and the Federal Civil Penalties Inflation Adjustment Act of 2015 (2015 Act)⁹ (collectively, 1990 Act, as amended), requires all Federal agencies with the authority to enforce CMPs to evaluate and adjust, if necessary, those CMPs each year to ensure that they continue to maintain their deterrent value and promote compliance with the law. Furthermore, the 2015 Act requires all Federal agencies to adjust the CMPs yearly, starting January 15, 2017.

Under Section 4(b) of the 1990 Act, as amended, annual adjustments are to be made yearly no later than January 15 of each year.¹⁰ Section 6 of the 1990 Act, as amended, states that any increase to a civil monetary penalty under this Act applies only to civil monetary penalties, including those whose associated violation predated such increase, which are assessed after the date the increase takes effect.

Section 5(b) of the 1990 Act, as amended, defines the term "cost-of-living adjustment" as the percentage (if any) for each civil monetary penalty by which (1) the Consumer Price Index (CPI) for the month of October of the calendar year preceding the adjustment, exceeds (2) the CPI for the month of October 1 year before the month of October referred to in (1) of the calendar

year in which the amount of such civil monetary penalty was last set or adjusted pursuant to law.¹¹

As of August 1, 2016, a "catch-up" adjustment under the 2015 Act amendments was made by the FCA using the cost-of-living adjustment calculated by determining the percentage change (if any) for each civil monetary penalty by which the CPI for the month of October 2015 exceeded the CPI for the month of October during the calendar year in which the CMP was created or last adjusted for any reason other than pursuant to the 1996 Act.

The increase for each CMP adjusted for inflation must be rounded using a method prescribed by section 5(a) of the 1990 Act, as amended, by the 2015 Act.¹²

2. Other Adjustments

If a civil monetary penalty is subject to a cost-of-living adjustment under the 1990 Act, as amended, but is adjusted to an amount greater than the amount of the adjustment required under the Act within the 12 months preceding a required cost-of-living adjustment, the agency is not required to make the cost-of-living adjustment to that CMP in that calendar year.¹³

III. Yearly Adjustments

A. Mathematical Calculations of 2017 Adjustments

The adjustment requirement affects two provisions of section 5.32(a) of the Farm Credit Act. For the 2017 yearly adjustments to the CMPs set forth by the Farm Credit Act, the calculation required by the 2016 White House Office of Management and Budget (OMB) guidance¹⁴ is based on the percentage by which the CPI for October 2016 exceeds the CPIs for October 2015. The OMB set forth guidance, as required by the 2015 Act,¹⁵ with a grid of multipliers for calculating the new CMP values.¹⁶ The OMB multiplier for the 2017 CMPs is 1.01636.

The adjustment also affects the CMPs set by the Flood Disaster Protection Act

¹¹ The CPI is published by the Department of Labor, Bureau of Statistics, and is available at its Web site: <http://ftp.bls.gov/pub/special.requests/cpi/cpiat.txt>.

¹² Pursuant to section 5(a)(3) of the 2015 Act, any increase determined under the subsection shall be rounded to the nearest \$1.

¹³ Pursuant to section 4(d) of the 1990 Act, as amended.

¹⁶ OMB Circular M-17-11, Implementation of the 2017 annual adjustment pursuant to the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015.

² See 28 U.S.C. 2461 note.

³ The inflation-adjusted CMP in effect on August 1, 2016, for a violation of a final order is \$2,188 per day, as set forth in § 622.61(a)(1) of FCA regulations.

⁴ The inflation-adjusted CMP in effect on August 1, 2016, for a violation of the Farm Credit Act or a regulation issued under the Farm Credit Act is \$989 per day, as set forth in § 622.61(a)(2) of FCA regulations.

of 1973, as amended. The adjustment multiplier is the same for all FCA enforced CMPs, set at 1.01636. The maximum CMPs for violations were created in 2012 by the Biggert-Waters Act, which amended the Flood Disaster Protection Act of 1973.

1. New Penalty Amount in § 622.61(a)(1)

The inflation-adjusted CMP currently in effect for violations of a final order occurring on or after November 2, 2015, is a maximum daily amount of \$2,188.¹⁷ Multiplying the \$2,188 CMP by the 2016 OMB multiplier, 1.01636, yields a total of \$2,223.80. When that number is rounded as required by section 5(a) of the 1990 Act, as amended, the inflation-adjusted maximum increases to \$2,224. Thus, the new CMP maximum is \$2,224.

2. New Penalty Amount in § 622.61(a)(2)

The inflation-adjusted CMP currently in effect for violations of the Farm Credit Act or regulations issued under the Farm Credit Act occurring on or after November 2, 2015, is a maximum daily amount of \$989.¹⁸ Multiplying the \$989 CMP maximum by the 2016 OMB multiplier, 1.01636, yields a total of \$1,005.18. When that number is rounded as required by section 5(a) of the 1990 Act, as amended the inflation-adjusted maximum increases to \$1,005. Thus, the new CMP maximum is \$1,005.

3. New Penalty Amounts for Flood Insurance Violations Under § 622.61(b)

The existing maximum CMP for a pattern or practice of flood insurance violations pursuant to 42 U.S.C. 4012a(f)(5) is \$2,056. Multiplying \$2,056 by the 2016 OMB multiplier, 1.01636, yields a total of \$2,089.64. When that number is rounded as required by section 5(a) of the 1990 Act, as amended, the new maximum assessment of the CMP for violating 42 U.S.C. 4012a(f)(5) is \$2,090. Thus, the new CMP maximum is \$2,090.

IV. Notice and Comment Not Required by Administrative Procedure Act

The 1990 Act, as amended, gives Federal agencies no discretion in the adjustment of CMPs for the rate of inflation. Further, these revisions are ministerial, technical, and noncontroversial. For these reasons, the FCA finds good cause to determine that public notice and an opportunity to comment are impracticable, unnecessary, and contrary to the public interest pursuant to the Administrative Procedure Act, 5 U.S.C. 553(b)(B), and adopts this rule in final form.

V. Regulatory Flexibility Act

Pursuant to section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the FCA hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities. Each of the banks in the System, considered together with its affiliated associations, has assets and annual income in excess of the amounts that would qualify them as small entities. Therefore, System institutions are not “small entities” as defined in the Regulatory Flexibility Act.
