comments received in the above-referenced docket,¹ the staff has revised the *Guidelines* and comments are now requested on this draft document from federal and state agencies, Native American tribes, environmental consultants, inspectors, natural gas industry, construction contractors, and other interested parties with special expertise with respect to historic and cultural resources commonly associated with natural gas pipeline projects. A 60-day public comment period is allotted to collect comments. Please note that this comment period will close on March 26, 2017.
