SUPPLEMENTARY INFORMATION: Pursuant to Section 308 of the Workforce Innovation and Opportunity Act of 2014

(WIOA) (Pub. L. 113–128), which amends section 15 of the Wagner-Peyser Act of 1933 (29 U.S.C. 491–2), notice is hereby given that the Web site address for the upcoming WIAC meeting scheduled for February 8, 2017, at 2:00 p.m. Eastern Standard Time (EST), has changed. The original **Federal Register** Notice announcing this virtual meeting was published December 27, 2016. The WIAC was established in accordance with provisions of the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. App.) and will act in accordance with the applicable provisions of FACA and its implementing regulation at 41 CFR 102–3.

Background: The WIAC is an important component of the Workforce Innovation and Opportunity Act. The WIAC is a Federal Advisory Committee of workforce and labor market information experts representing a broad range of national, State, and local data and information users and producers. The purpose of the WIAC is to provide recommendations to the Secretary of Labor, working jointly through the Assistant Secretary for Employment and Training and the Commissioner of Labor Statistics, to address: (1) The evaluation and improvement of the nationwide workforce and labor market information (WLMI) system and statewide systems that comprise the nationwide system; and (2) how the Department and the States will cooperate in the management of those systems. These systems include programs to produce employment-related statistics and State and local workforce and labor market information.

The Department of Labor anticipates the WIAC will accomplish its objectives by: (1) Studying workforce and labor market information issues; (2) seeking and sharing information on innovative approaches, new technologies, and data to inform employment, skills training, and workforce and economic development decision making and policy; and (3) advising the Secretary on how the workforce and labor market information system can best support workforce development, planning, and program development. Additional information is available at www.doleta.gov/wioa/wiac/.

Purpose: The WIAC is currently in the process of identifying and reviewing issues and aspects of the WLMI system and statewide systems that comprise the nationwide system and how the Department and the States will cooperate in the management of those systems. As part of this process, the Advisory Council meets to gather information and to engage in deliberative and planning activities to

facilitate the development and provision of its recommendations to the Secretary in a timely manner.

Agenda: Beginning at 2:00 p.m. on February 8, 2017, the Advisory Council will briefly review the minutes of the previous meeting held January 11, 2017. The Advisory Council will then discuss the informational report it is creating to document the current status of the WLMi systems from a national and state perspective for the Secretary of Labor. The goal of this discussion is the formal approval of the informational report for submission to the Secretary of Labor.

The Advisory Council will open the floor for public comment once the discussion of the informational report is completed, which is expected to be 3:00 p.m. EST; however, that time may change at the WIAC chair's discretion. Once the informational report discussion, the public comment period, and discussion of next steps and new business has concluded, the meeting will adjourn. The WIAC does not anticipate the meeting lasting past 5:00 p.m. EST.

The full agenda for the meeting, and changes or updates to the agenda, will be posted on the WIAC's Web page, www.doleta.gov/wiao/wiac/.
