collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: The Emergency Management Performance Grants Program (EMPG) helps facilitate a national and regional all-hazards approach to emergency response, including the development of a comprehensive program of planning, training, and exercises that provides a foundation for effective and consistent response to any threatened or actual disaster or emergency, regardless of the cause. Section 662 of the Post-Katrina Emergency Management Reform Act of 2006 (6 U.S.C. 762), as amended, empowers the FEMA Administrator to continue implementation of an Emergency Management Performance Grants Program to make grants to States to assist State, local, and tribal governments in preparing for all hazards, as authorized by the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.).

[DOCKET NO. DHS–2016–0092]

The Critical Infrastructure Partnership Advisory Council

AGENCY: National Protection and Programs Directorate, DHS.

SUMMARY: The Department of Homeland Security (DHS) announced the establishment of the CIPAC in a Federal Register Notice (71 FR 14930–14933) dated March 24, 2006, which identified the purpose of CIPAC, as well as its membership. This notice provides: (i) Notification of the CIPAC charter renewal.

FOR FURTHER INFORMATION CONTACT: Renee Murphy, Designated Federal Officer, Critical Infrastructure Partnership Advisory Council, Sector Outreach and Programs Division, Office of Infrastructure Protection, National Protection and Programs Directorate, U.S. Department of Homeland Security, 245 Murray Lane, Mail Stop 0607, Arlington, VA 20598–0607; telephone: (703) 603–5083; email: CIPAC@hq.dhs.gov.

Purpose and Activity: The CIPAC facilitates interaction between government officials and representatives of the community of owners and/or operators for each of the critical infrastructure sectors defined by Presidential Policy Directive 21 and identified in National Infrastructure Protection Plan 2013: Partnering for Critical Infrastructure Security and Resilience (NIPP 2013). The scope of activities covered by the CIPAC includes: Planning; coordinating among government and critical infrastructure owner and operator security partners; implementing security program initiatives; conducting operational activities related to critical infrastructure protection security measures, incident response, recovery, and infrastructure resilience; reconstituting critical infrastructure assets and systems for both manmade and naturally occurring events; and sharing threat, vulnerability, risk mitigation, and infrastructure continuity information.

Organizational Structure: CIPAC members are organized into 16 critical infrastructure sectors. These sectors have a Government Coordinating Council (GCC) whose membership includes: (i) A lead Federal agency that is defined as the Sector-Specific Agency (SSA); (ii) all relevant Federal, State, local, tribal, and/or territorial government agencies (or their representative bodies) whose mission interests also involve the scope of the CIPAC activities for that particular sector; and (iii) a Sector Coordinating Council (SCC), where applicable, whose membership includes critical infrastructure owners and/or operators or their representative trade associations.

CIPAC Membership: CIPAC Membership may include:

(i) Critical Infrastructure owner and operator members of a DHS-recognized SCC, including their representative trade associations or equivalent organization members of a SCC as determined by the GCC.

(ii) Federal, State, local, and tribal governmental entities comprising the
