

Secretary that good cause exists and that the waiver or alternative requirement is not inconsistent with the overall purposes of Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 *et seq.*) (HCDA). Regulatory waiver authority is also provided by 24 CFR 5.110, 91.600, and 570.5.

For the waiver and alternative requirement described in this notice, the Secretary has determined that good cause exists and that the waiver and alternative requirement are not inconsistent with the overall purpose of Title I of the HCDA. Grantees may request waivers and alternative requirements from the Department as needed to address specific needs related to their recovery activities. Under the requirements of the Appropriations Act, waivers must be published in the **Federal Register** no later than 5 days before the effective date of such waiver.

1. *Tenant-based rental assistance (State of New Jersey, only).* The State of New Jersey requested a waiver of 42 U.S.C. 5305(a) in order to provide up to \$17 million in tenant-based rental assistance to households beyond the permissible length of time, and this waiver was granted by the Department in the **Federal Register** notice published on July 11, 2014 (79 FR 40134). While existing CDBG regulations allow payments for these purposes, those regulations limit assistance to a period not to exceed three months. The State justified longer term assistance in order to meet the housing needs of vulnerable populations until the State completes construction of affordable rental units and those units are made available to low- and moderate-income (LMI) populations.

The State later requested that HUD increase the amount covered by the waiver from \$17 million to \$32 million, and extend the period of assistance by two years, to January 1, 2018, in order to meet the goals of a Voluntary Compliance Agreement (VCA) with the Department. HUD granted this waiver extension in the April 2, 2015 **Federal Register** notice (80 FR 17772) to support the State's compliance with its VCA and because of the continued lack of affordable housing caused by Hurricane Sandy.

The State of New Jersey recently requested an extension to the expenditure deadline to January 1, 2019, to allow the State to provide up to two years of assistance to this LMI population. Without this extension, 85% of this LMI population would not be able to receive the full two years of assistance under the TBRA program. Because the Department is committed to

assisting this population and allowing the State to disburse the full amount of assistance made available by the VCA, HUD is modifying its waiver of 42 U.S.C. 5305(a) to the extent necessary to allow the State to disburse the \$32 million in Community Development Block Grant disaster recovery (CDBG-DR) funds allocated to State's TBRA program until January 1, 2019. The funds extended through this waiver are subject to the 24-month limitation on assistance and all other waiver and alternative requirements related to the TBRA program in the notice published on July 11, 2014 (79 FR 40133), as modified by the notice published on April 2, 2015 (80 FR 17772), as well as the requirements of the VCA and any subsequent amendments to the VCA.

III. Catalog of Federal Domestic Assistance

The Catalog of Federal Domestic Assistance numbers for the disaster recovery grants under this Notice is 14.269.

IV. Environmental Review

This Notice does not direct, provide for assistance or loan and mortgage insurance for, or otherwise govern or regulate, real property acquisition, disposition, leasing (other than tenant-based rental assistance), rehabilitation, alteration, demolition, or new construction, or establish, revise or provide for standards for construction or construction materials, manufactured housing, or occupancy. Accordingly, under 24 CFR 50.19(c)(1), this Notice is categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321).

Dated: February 3, 2017.

Janet M. Golrick,
Acting Deputy Secretary.
