**SUPPLEMENTARY INFORMATION:**

*Title:* 26 CFR 31.6001-1, Records in general; 26 CFR 31.6001-2, Additional Records under FICA; 26 CFR 31.6001-3, Additional records under Railroad Retirement Tax Act; 26 CFR 31.6001-5, Additional records in connection with collection of income tax at source on wages; 26 CFR 31.6001-6, Notice by District Director requiring returns, statements, or the keeping of records.

*OMB Number:* 1545-0798.

*Abstract:* Internal Revenue Code section 6001 requires, in part, that every

person liable for tax, or for the collection of that tax must keep such records and comply with such rules and regulations as the Secretary may from time to time prescribe. The recordkeeping requirements under 26 CFR 31.6001 have special application to employment taxes (and to employers) and are needed to ensure proper compliance with the Code. Upon examination, the records are needed by the taxpayer to establish the employment tax liability claimed on any tax return.

*Current Actions:* There is no change to these existing regulations.

*Type of Review:* Extension of a currently approved collection.

*Affected Public:* Individuals or households, business or other for-profit organizations, not-for-profit institutions, farms, and Federal, state, local or tribal governments.

*Estimated Number of Recordkeepers:* 5,676,263.

*Estimated Time per Recordkeeper:* 5 hours, 20 minutes.

*Estimated Total Annual Recordkeeping Hours:* 30,273,950.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

*Request for Comments:* Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper

performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: January 30, 2017.
