

(5) Collect and analyze data in accordance with the CRADA test plan; and

(6) Work with non-Federal participant to develop a Final Report, which will document the methodologies, findings, conclusions, and recommendations of this CRADA work.

We anticipate that the non-Federal participants' contributions under the proposed CRADA will include the following:

(1) Work with R&D Center to develop the test plan to be executed under the CRADA;

(2) Provide the technical data package for all equipments, including dimensions, weight, power requirements, and other technical considerations for the additional components to be utilized under this CRADA;

(3) Provide for shipment, delivery, and install of diesel outboard engines required for testing under this CRADA;

(4) Provide technical oversight, technical engine, and operator training on the engines provided for testing under this CRADA; and

(5) Provide/pay for travel and other associated personnel costs and other required expenses.

The Coast Guard reserves the right to select for CRADA participants all, some, or no proposals submitted for this CRADA. The Coast Guard will provide no funding for reimbursement of proposal development costs. Proposals and any other material submitted in response to this notice will not be returned. Proposals submitted are expected to be unclassified and have no more than five single-sided pages (excluding cover page, DD 1494, JF-12, etc.). The Coast Guard will select proposals at its sole discretion on the basis of:

(1) How well they communicate an understanding of, and ability to meet, the proposed CRADA's goal; and

(2) How well they address the following criteria:

(a) Technical capability to support the non-Federal party contributions described; and

(b) Resources available for supporting the non-Federal party contributions described.

Currently, the Coast Guard is considering Mack for participation in this CRADA. This consideration is based on the fact that Mack has demonstrated its technical ability as a U.S. Distributor of diesel outboard engines. However, we do not wish to exclude other viable participants from this or future similar CRADAs.

This is a technology assessment effort. The goal of the Coast Guard for this

CRADA is to better understand the advantages, disadvantages, required technology enhancements, performance, costs, and other issues associated with diesel outboard engines. Special consideration will be given to small business firms/consortia, and preference will be given to business units located in the U.S. This notice is issued under the authority of 5 U.S.C. 552(a).

Dated: January 30, 2017.

[Docket No. USCG-2016-1073]

### Chemical Transportation Advisory Committee; Vacancies

**AGENCY:** Coast Guard, Department of Homeland Security.

**ACTION:** Request for applications.

**SUMMARY:** The Coast Guard seeks applications for membership on the Chemical Transportation Advisory Committee. The Chemical Transportation Advisory Committee provides advice and makes recommendations on matters relating to the safe and secure marine transportation of hazardous materials insofar as they relate to matters within the United States Coast Guard's jurisdiction.

**DATES:** Completed applications for the Chemical Transportation Advisory Committee should reach the Coast Guard on or before April 17, 2017.

**ADDRESSES:** Applicants should send their resume, and a cover letter identifying which of the five membership categories they wish to represent, to the Chemical Transportation Advisory Committee via one of the following methods:

- *By Email:* Patrick.m.hilbert@uscg.mil.

- *By Fax:* (202) 372-8380.

- *By Mail:* Commander Patrick Hilbert, Designated Federal Official of the Chemical Transportation Advisory Committee, Commandant, Hazardous Materials Division (CG-ENG-5), U.S. Coast Guard, 2703 Martin Luther King Jr. Ave. SE., Stop 7509, Washington, DC 20593-7509.

**FOR FURTHER INFORMATION CONTACT:**

Lieutenant Commander Julie Blanchfield, 2703 Martin Luther King Jr.

Avenue SE., Stop 7509, Washington, DC 20593-7509, *Julie.e.blanchfield@uscg.mil*, phone: 202-372-1419, fax: 202-372-8380.

**SUPPLEMENTARY INFORMATION:** The Chemical Transportation Advisory Committee is established under the authority of Section 871 of the Homeland Security Act of 2002, 6 U.S.C. 451. The Chemical Transportation Advisory Committee is a federal advisory committee operating under the provisions of the Federal Advisory Committee Act (Title 5, U.S.C. Appendix).

The Chemical Transportation Advisory Committee provides advice and recommendations to the Department of Homeland Security on matters relating to the safe and secure marine transportation of hazardous materials insofar as they relate to matters within the United States Coast Guard's jurisdiction.

The Chemical Transportation Advisory Committee meets at least twice per year. It may also meet for extraordinary purposes. Its subcommittees may meet to consider specific problems as required.

The Coast Guard will consider applications for 10 positions that become vacant on September 17, 2017. The membership categories are: Chemical manufacturing, marine handling or transportation of chemicals, vessel design and construction, marine safety or security, and marine environmental protection. Each member serves for a term of three years, and may serve no more than two consecutive three-year terms. A member appointed to fill an unexpired term may serve the remainder of that term. All members serve at their own expense and receive no salary, reimbursement of travel expenses, or other compensation from the Federal Government.

The Department of Homeland Security does not discriminate in selection of Committee members on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, gender identity, marital status, disabilities and genetic information, age, membership in an employee organization, or any other non-merit factor. The Department of Homeland Security strives to achieve a widely diverse candidate pool for all of its recruitment actions.

If you are interested in applying to become a member of the Committee, send your cover letter and resume to Commander Patrick Hilbert, Designated Federal Official of the Chemical Transportation Advisory Committee, via one of the transmittal methods in the

**ADDRESSES** section by the deadline in the **DATES** section of this notice. All email submittals will receive email receipt confirmation.
