

Final Judgment includes provisions that the Department believes will preserve competition in the U.S. beer industry that would likely be lost due to ABI's acquisition of SABMiller, generally improving the competitive conditions in the U.S. beer industry is beyond the scope of this APPA proceeding.

11. Comment Requesting the Department Publicize the Last Day of the 60-day Public Comment Period

a. Summary of Comment

Commenter Professor Calkins requested that the Department state on its public website the last day of the 60-day period for public comments on proposed consent decrees.⁸⁵

b. The APPA Does Not Require the Department to State on its Public Website the Last Day for Public Comments on Consent Decrees

The APPA sets forth specific procedures for the Court to approve consent judgments such as the proposed Final Judgment in this case. See 15 U.S.C. §§ 16(b)–(f). Those requirements do not include notice on the Department's public website of the last day of the 60-day period for public comments. The Department nevertheless appreciates Professor Calkins' suggestion and will consider implementing it in connection with future proposed final judgments.

VI. CONCLUSION

After careful consideration of the public comments, the Department continues to believe that the proposed Final Judgment, as drafted, provides an effective and appropriate remedy for the antitrust violations alleged in the Complaint, and is therefore in the public interest. The Department will move this Court to enter the proposed Final Judgment after the comments and this response are published pursuant to 15 U.S.C. § 16(d).
