interested in and qualified to serve on the NAC apply for appointment to an open position in one of the following discipline areas: Elected Tribal Government Executive (Representative), Non-elected Tribal Government Official (Representative), Emergency Management (Representative), Emergency Response Providers (Representative), Standards Setting and Accrediting Organizations (Representative), Individuals with Disabilities (Representative), Health Scientist (Special Government Employee (SGE)), and Infrastructure Protection Expert (SGE). The Administrator may appoint up to five (5) additional candidates to serve as FEMA Administrator Selections (as SGE appointments). Appointments will be for three-year terms that start in September 2017.

The NAC Charter contains more information and can be found at: https://www.fema.gov/media-library/assets/documents/35316#. If you are interested, qualified, and want FEMA to consider appointing you to fill an open position on the NAC, please submit an application package to the Office of the NAC as listed in the ADDRESSES section of this notice. Current NAC members whose terms are ending should notify the Office of the NAC of their interest in reappointment in lieu of submitting a new application, and if desired, provide updated application materials for consideration. There is no application form; however, each application package MUST include the following information:

- Cover letter, addressed to the Office of the NAC, that includes or indicates: Current position title and employer or organization you represent, home and work addresses, and preferred telephone number and email address; the discipline area position(s) for which you are qualified; why you are interested in serving on the NAC; and how you heard about the solicitation for NAC members;
- Resume or Curriculum Vitae (CV); and
- One Letter of Recommendation addressed to the Office of the NAC.

Information contained in your application package should clearly indicate your qualifications to serve on the NAC and fill one of the current open positions. FEMA will not consider incomplete applications. FEMA will review the information contained in application packages and make selections based on: (1) Leadership attributes, (2) emergency management experience, (3) expert knowledge in discipline area, and (4) ability to meet NAC member expectations. FEMA will also consider overall NAC composition, including geographic diversity and mix of officials, emergency managers, and emergency response providers from state, local, and tribal governments, when selecting members.

Appointees may be designated as a SGE as defined in section 202(a) of title 18, United States Code, or as a Representative member. SGEs speak as experts in their field and Representative members speak for the stakeholder group they represent. Candidates selected for appointment as SGEs are required to complete a Confidential Financial Disclosure Form (Office of Government Ethics (OGE) Form 450) each year. You can find this form at the Office of Government Ethics Web site (http://www.oge.gov). However, please do not submit this form with your application.

The NAC generally meets in person twice per year. FEMA does not pay NAC members for their time, but will pay for or reimburse travel expenses such as airfare, per diem to include hotel stays, and other transportation costs within federal travel guidelines when pre-approved by the Designated Federal Officer. NAC members must serve on one of the three NAC Subcommittees, which meet regularly by teleconference. FEMA estimates the total time commitment for subcommittee participation to be 1–2 hours per week (more for NAC leadership).

DHS does not discriminate on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, gender identity, marital status, disability and genetic information, age, membership in an employee organization, or other non-merit factor. DHS strives to achieve a widely diverse candidate pool for all of its recruitment actions. Current DHS and FEMA employees, FEMA Reservists, and DHS and FEMA contractors and potential contractors are not eligible for membership. Federally registered lobbyists may apply for positions designated as Representative appointments but are not eligible for positions that are designated as SGE appointments.
