The Commission will use this EA in its decision-making process to determine whether the project is in the public convenience and necessity.

Your input will help the Commission staff determine what issues they need to evaluate in the EA. To ensure that your comments are timely and properly recorded, please send your comments so that the Commission receives them in Washington, DC on or before March 17, 2017.

If you sent comments on this project to the Commission before the opening of this docket on November 15, 2016, you will need to file those comments in Docket No. CP17-15-000 to ensure they are considered as part of this proceeding.
