**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it has instituted reviews pursuant to the Tariff Act of 1930 ("the Act"), as amended, to determine whether revocation of the antidumping duty orders on brass sheet and strip from France, Germany, Italy, and Japan would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

**DATES:** Effective March 1, 2017. To be assured of consideration, the deadline for responses is March 31, 2017. Comments on the adequacy of responses may be filed with the Commission by May 15, 2017.

Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:**

**Background.**—On March 6, 1987, the Department of Commerce ("Commerce") issued antidumping duty orders on imports of brass sheet and strip from France, Germany, and Italy (52 FR 6995; Italy amended at 52 FR 11299, April 8, 1987). On August 12, 1988, Commerce issued an antidumping duty order on imports of brass sheet and strip from Japan (53 FR 30454). Following first five-year reviews by Commerce and the Commission, effective May 1, 2000, Commerce issued a continuation of the antidumping duty orders on imports of brass sheet and strip from France, Germany, Italy, and Japan (65 FR 25304). Following second five-year reviews by Commerce and the Commission, effective April 3, 2006, Commerce issued a continuation of the antidumping duty orders on imports of brass sheet and strip from France, Germany, Italy, and Japan (71 FR 16552). Following the third five-year reviews by Commerce and the Commission, effective April 26, 2012, Commerce issued a continuation of the antidumping duty orders on imports of brass sheet and strip from France, Germany, Italy, and Japan (77 FR 24932). The Commission is now conducting fourth reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR parts 201, subparts A and B and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

**Definitions.**—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by the Department of Commerce.

<sup>2</sup> The Commission has found the responses submitted by Bristol Metals, Felker Brothers, Marcegaglia, and Outokumpu to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

(2) The *Subject Countries* in these reviews are France, Italy, Germany, and Japan.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original antidumping duty determinations concerning brass sheet and strip from France, Germany, and Italy, the Commission defined the *Domestic Like Product* to include brass material to be rerolled ("reroll") and finished brass sheet and strip ("finished products"). In its original antidumping duty determination and the remand determination concerning brass sheet and strip from Japan, the Commission defined the *Domestic Like Product* to be all Unified Numbering System ("UNS") C20000 domestically produced brass sheet and strip. One Commissioner defined the *Domestic Like Product* differently. In its full first, second, and third five-year review determinations, the Commission defined the *Domestic Like Product* as all UNS C20000 series brass sheet and strip, coextensive with Commerce's scope. For purposes of responding to this notice, the *Domestic Like Product* is all UNS C20000 series brass sheet and strip.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original antidumping duty determinations concerning brass sheet and strip from France, Germany, and Italy, the Commission defined the *Domestic Industry* to include primary mills with casting capabilities and rerollers. In its original antidumping duty determination and the remand determination concerning brass sheet and strip from Japan, the Commission defined the *Domestic Industry* as producers of the corresponding *Domestic Like Product*. One Commissioner defined the *Domestic Industry* differently. In its full first, second, and third five-year review determinations, the Commission defined the *Domestic Industry* to consist of the domestic producers of UNS C20000 series brass sheet and strip, including rerollers as well as basic producers. For purposes of responding to this notice, the *Domestic Industry* is all domestic producers of UNS C20000 series brass sheet and strip.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into

the United States from a foreign manufacturer or through its selling agent.

*Participation in the proceeding and public service list.*—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202–205–3088.

*Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.*—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained

by the Secretary for those parties authorized to receive BPI under the APO.

*Certification.*—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

*Written submissions.*—Pursuant to section 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is March 31, 2017. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is May 15, 2017. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's Handbook on E-Filing, available on the Commission's Web site at <https://edis.usitc.gov>, elaborates upon the Commission's rules with respect to electronic filing. Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

No response to this request for information is required if a currently valid Office of Management and Budget

(OMB) number is not displayed; the OMB number is 3117 0016/USITC No. 17-5-379 expiration date June 30, 2017. Public reporting burden for the request is estimated to average 15 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436.

*Inability to provide requested information.*—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act (19 U.S.C. 1677e(b)) in making its determinations in the reviews.
