

regulatory capital rules. Currently, EAD information pertaining to CVAs that is reported in FFIEC 101 Schedule B remains confidential, even after an institution completes its parallel run period.

The agencies have determined that the EAD information reported in column D of items 31.a and 31.b on FFIEC 101 Schedule B is already captured in column D of item 10 (OTC derivatives—no cross-product netting—EAD adjustment method) on FFIEC 101 Schedule B. Continuing to collect the same EAD information in both places is not only redundant, but also may be misinterpreted by the users of FFIEC 101 data as additional default risk held by the reporting entity. For these reasons, the agencies propose removing column D for items 31.a and 31.b on FFIEC 101 Schedule B.

The agencies would continue to collect the amount of risk-weighted assets for CVAs in column G of items 31.a and 31.b on FFIEC 101 Schedule B.

Request for Comment

Public comment is requested on all aspects of this joint notice. Comments are invited on

(a) Whether the collections of information that are the subject of this notice are necessary for the proper performance of the agencies' functions, including whether the information has practical utility;

(b) The accuracy of the agencies' estimates of the burden of the information collections as they are proposed to be revised, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of information collections on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Comments submitted in response to this joint notice will be shared among the agencies and will be summarized or included in the agencies' requests for OMB approval. All comments will become a matter of public record.
