Final Results of Review

Pursuant to sections 751(c) and 752(c)(1) and (3) of the Act, we determine that revocation of the antidumping duty order on cement and clinker from Japan would be likely to lead to continuation or recurrence of dumping at weighted-average dumping margins up to 69.89 percent.

This notice also serves as the only reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Certain Crystalline Silicon Photovoltaic Products From the People’s Republic of China: Preliminary Results of Countervailing Duty Administrative Review and Preliminary Intent To Rescind, in Part; 2014–2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) preliminarily determines that countervailable subsidies are being provided to producers and exporters of crystalline silicon photovoltaic products (solar products), from the People’s Republic of China (PRC). The period of review (POR) is June 10, 2014, through

December 31, 2015. Interested parties are invited to comment on these preliminary results.

DATES: Effective March 6, 2017.

FOR FURTHER INFORMATION CONTACT: Joseph Traw, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6079.

SUPPLEMENTARY INFORMATION:

Background

On February 18, 2015, the Department issued a countervailing duty (CVD) order on solar products from the PRC.¹ Several interested parties requested that the Department conduct an administrative review of the countervailing duty order, and on April 7, 2016, the Department published in the **Federal Register** a notice of initiation of an administrative review of the *CVD Order* for 31 producers/exporters for the POR.²

Scope of the Order

The products covered by the order are certain crystalline silicon photovoltaic products from the PRC. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.³

Methodology

The Department is conducting this CVD review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we determine that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.⁴ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to

Intent To Partially Rescind the Administrative Review, and Partial Rescission of Administrative Review

For an administrative review to be conducted, there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate.⁶ Thus, it is the Department’s practice to rescind an administrative review when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁷ We preliminarily find that BYD (Shangluo) Industrial Co., Ltd. had no reviewable entries subject to the *CVD Order* and, consistent with our practice, the Department intends to rescind its review of BYD, consistent with 19 CFR 351.213(d)(3). We invite parties to comment on this preliminary intent to rescind and will consider any comments received for the final results.

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Yingli Energy

⁵ A list of topics discussed in the Preliminary Decision Memorandum can be found as an appendix to this notice.

⁶ See section 751(a)(2)(A) of the Act (stating that an administrative review determines the normal value, export price or constructed export price, and dumping margin of an “entry”); 19 CFR 351.212(b)(1) (At the end of the administrative review, the suspended entries are liquidated at the assessment rate computed for the review period).

(China) Co., Ltd., Baoding Tianwei Yingli New Energy Resources Co., Ltd., Baoding Jiasheng Photovoltaic Technology Co. Ltd., Beijing Tianneng Yingli New Energy Resources Co. Ltd., Hainan Yingli New Energy Resources Co., Ltd., Hengshui Yingli New Energy Resources Co., Ltd., Lixian Yingli New Energy Resources Co., Ltd., Tianjin Yingli New Energy Resources Co., Ltd., Shenzhen Yingli New Energy Resources Co., Ltd., and Yingli Green Energy International Trading Company Limited; Canadian Solar Inc., Canadian Solar International, Ltd., Canadian Solar Manufacturing (Changshu), Inc., Canadian Solar Manufacturing (Luoyang), Inc., and Canadian Solar (USA) Inc.; Jinko Solar Co., Ltd., JinkoSolar (U.S.) Inc., Jinko Solar Import and Export Co., Ltd., and Zhejiang Jinko Solar Co., Ltd.; Shanghai BYD Co., Ltd.; Shenzhen Jiawei Photovoltaic Lighting Co., Ltd.; and Wuxi Suntech Power Co., Ltd. timely withdrew their requests for review.⁸ No other party requested a review of these producers/exporters. Therefore, in accordance with 19 CFR 351.213(d)(1), the Department is rescinding this review of the CVD order on solar products from the PRC with respect to these companies.

Preliminary Results of Review

As a result of this review, we preliminarily determine the countervailable subsidy rates to be:

Company	Subsidy rate (percent)
Changzhou Trina Solar Energy Co., Ltd. and its cross-owned affiliates ⁹	13.93
Non-Selected Companies under Review ¹⁰	13.93

⁸ See Letter to the Secretary from Yingli, "Certain Crystalline Silicon Photovoltaic Products from the People's Republic of China: Yingli's Withdrawal of Request for Administrative Review," (March 30, 2016); Letter to the Secretary from Canadian Solar, "Certain Crystalline Silicon Photovoltaic Products from the People's Republic of China: Canadian Solar's Withdrawal of Request for Administrative Review," (April 22, 2016); Letter to the Secretary from Jinko, "Certain Crystalline Silicon Photovoltaic Products from the People's Republic of China: Jinko's Withdrawal of Request for Administrative Review," (April 27, 2016); Letter to the Secretary from Shanghai BYD, "Certain Crystalline Silicon Photovoltaic Products, from the People's Republic of China: Withdrawal of Request for Review for Shanghai BYD Co., Ltd.," (May 31, 2016); Letter to the Secretary from Dorfman Pacific Co., Ltd., "Certain Crystalline Silicon Photovoltaic Products from the People's Republic of China: Dorfman Pacific Co., Ltd.'s Withdrawal of Request for Administrative Review," (July 1, 2016); and Letter to the Secretary from Suntech, "Certain Crystalline Silicon Photovoltaic Products from the People's Republic of China: Withdrawal of Request for Administrative Review—Wuxi Suntech Power Co., Ltd.," (July 5, 2016).

Preliminary Rate for the Non-Selected Companies Under Review

The statute and the Department's regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where the Department limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, the Department normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs the Department as a general rule to calculate an all others rate using the weighted average of the subsidy rates established for the producers/exporters individually examined, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, the preliminary subsidy rate calculated for Changzhou Trina Solar Energy Co., Ltd. and its cross-owned affiliates (Trina Solar) is above *de minimis* and is not based entirely on facts available. Therefore, for the companies for which a review was requested that were not selected as mandatory company respondents, and for which we did not receive a timely request for withdrawal of review, and which we are not finding to be cross-owned with the mandatory company respondents, we are preliminarily basing the subsidy rate on the subsidy rate calculated for Trina Solar. For a list of these non-selected companies, please see the Appendix II to this notice.

Disclosure and Public Comment

The Department intends to disclose to interested parties the calculations performed in connection with this preliminary determination within five days of publication of this notice in the **Federal Register**.¹¹ Interested parties may submit case and rebuttal briefs, as well as request a hearing.¹² Interested parties may submit written comments (case briefs) within 30 days of publication of the preliminary results and rebuttal comments (rebuttal briefs) within five days after the time limit for

Certain Preserved Mushrooms From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain preserved mushrooms from the People's Republic of China (the PRC). The period of review (POR) is February 1, 2015, through January 31, 2016. The Department preliminarily determines that, during the POR, one mandatory respondent, Dezhou Kaihang Agricultural Science Technology Co. Ltd. (Dezhou Kaihang) did not sell subject merchandise below normal value (NV). We also preliminarily determine that the other mandatory respondent, Linyi City Kangfa Foodstuff Drinkable Co., Ltd. (Kangfa) has not demonstrated its eligibility for a separate rate and is, therefore, part of the PRC-wide entity. We preliminarily determine that the following companies had no reviewable shipments during the POR: (1) Zhangzhou Hongda Import & Export Trading Co., Ltd. (Hongda); and (2) Zhangzhou Gangchang Canned Foods Co., Ltd., Fujian and Zhangzhou Gangchang Canned Foods Co., Ltd. (collectively, Gangchang). Finally, we preliminarily find that the remaining 98 companies under review did not demonstrate their eligibility for a separate rate and are part of the PRC-wide entity. Interested parties are invited to comment on these preliminary results.

DATES: Effective March 6, 2017.

FOR FURTHER INFORMATION CONTACT: Michael J. Heaney, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4475.

Background

On February 19, 1999, the Department published in the **Federal Register** the antidumping duty order on certain preserved mushrooms from the PRC.¹ On February 3, 2016, the Department published in the **Federal Register** an opportunity to request an administrative review of the Order.² On April 7, 2016, the Department published in the **Federal Register** a notice of initiation of this review, covering 103 separately-named companies.³ On June 17, 2016,

¹ See *Notice of Amendment of Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Preserved Mushrooms from the People's Republic of China*, 64 FR 8308 (February 19, 1999) (the Order).

² See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 81 FR 5712 (February 3, 2016).

the Department selected Dezhou Kaihang and Kangfa as mandatory respondents and issued antidumping questionnaires to these companies.⁴ Dezhou Kaihang timely submitted questionnaire responses, but Kangfa did not respond to the Department's request for information.

Scope of the Order

The products covered by this order are certain preserved mushrooms. The merchandise subject to this order is classifiable under subheadings: 2003.10.0127, 2003.10.0131, 2003.10.0137, 2003.10.0143, 2003.10.0147, 2003.10.0153, and 0711.51.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and Customs purposes, the written description of the scope of this order is dispositive.⁵

Preliminary Determination of No Shipments

Two companies that received a separate rate in previous segments of the proceeding and are subject to this review, Hongda and Gangchang,⁶ certified that they did not have any exports of subject merchandise during the POR.⁷ We requested that U.S.

⁴ See Memorandum entitled, "Administrative Review of the Antidumping Duty Order on Certain Preserved Mushrooms from the People's Republic of China," dated June 17, 2016.

⁵ For a complete description of the scope of the order, see Memorandum from James Maeder, Senior Director, Office I, for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, "Certain Preserved Mushrooms from the People's Republic of China: Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review; 2015–2016," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁶ In the company certification of no shipments, the names "Zhangzhou Gangchang Canned Foods Co., Ltd., Fujian" and "Zhangzhou Gangchang Canned Foods Co., Ltd." are used interchangeably. When a similar issue arose during an earlier new shipper review, counsel clarified that the correct name of the company is "Zhangzhou Gangchang Canned Foods Co., Ltd., Fujian." See *Certain Preserved Mushrooms from the People's Republic of China: Preliminary Results of Antidumping Duty New Shipper Reviews* 74 FR 14772 (April 1, 2009) unchanged at *Certain Preserved Mushrooms from the People's Republic of China: Final Results of Antidumping Duty New Shipper Reviews* 74 FR 28882 (June 18, 2009). Nonetheless, in a subsequent administrative review, we identified the company as "Zhangzhou Gangchang Canned Foods Co., Ltd." See *Certain Preserved Mushrooms from the People's Republic of China: Final Results of Administrative Review*, 80 FR 32355 (June 8, 2015). In light of this interchangeable treatment, to avoid any confusion, we are including both name variations in our preliminary finding of no shipments.
