Multilayered Wood Flooring From the People's Republic of China: Final Results of Expedited First Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) finds that revocation of the countervailing duty (CVD) order on multilayered wood flooring (MLWF) from the People's Republic of China (PRC) would likely lead to continuation or recurrence of a countervailable subsidy at the levels indicated in the "Final Results of Review" section of this notice.

DATES: Effective March 6, 2017.

FOR FURTHER INFORMATION CONTACT: Robert James or John Anwesen, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Ave. NW., Washington, DC 20230; telephone: (202) 482-0649 or (202) 482-0131, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 2016, the Department initiated the first sunset review of the CVD order on MLWF from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.218(c).¹ The Department received a notice of intent to participate in the review on behalf of the Coalition for American Hardwood Parity and its member companies, Cumberland Products Group, LLC, d/b/a American OEM Wood Floors, Mannington Mills, Inc., Mohawk Industries, Inc., Shaw Industries Group, Inc. (collectively, CAHP), within the deadline specified in 19 CFR 351.218(d)(1)(i).² CAHP claimed

interested party status under section 771(9)(C) and (F) of the Act, as domestic producers of the domestic like product and an association comprised of domestic producers.

The Department received an adequate substantive response from the domestic industry within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).³ The Department did not receive a substantive response from any government or respondent interested party to the proceeding. Because the Department received no response from the respondent interested parties, the Department conducted an expedited review of this CVD order, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

SUMMARY: Based on affirmative final determinations by the Department of Commerce (the Department) and the International Trade Commission (ITC), the Department is issuing countervailing duty orders on certain new pneumatic

off-the-road tires (off road tires) from India and Sri Lanka. In addition, the Department is amending its final determination with respect to India, as a result of ministerial errors.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 705(d) and 777(i) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(c), on January 10, 2017, the Department published its final determinations in the countervailing duty investigations of off road tires from India and Sri Lanka.¹ On February 23, 2017, the ITC notified the Department of its final determination that an industry in the United States is materially injured by reason of subsidized imports of subject merchandise from India and Sri Lanka within the meaning of section 705(b)(1)(A)(i) of the Act, and its determination that critical circumstances do not exist with respect to imports of subject merchandise from India and Sri Lanka that are subject to the Department's affirmative critical circumstances finding.²

Scope of the Orders

The products covered by these orders are off road tires, which are tires with an off road tire size designation. For a complete description of the scope of the orders, see Appendix I.

Amendment to India Final Determination

On January 17, 2017, ATC Tires Private Limited (ATC) alleged that the Department made ministerial errors in the *India Final Determination*.³ A ministerial error is defined as an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial.⁴

The Department reviewed the record and agrees that the errors referenced in ATC's allegation constitute ministerial errors within the meaning of 19 CFR 351.224(f).⁵ Specifically, the Department double-counted the benefit ATC received through the Central Sales Tax Reimbursement Program and inadvertently treated a stamp duty exemption as a subsidy received during the POI when the record indicates it was received prior to the POI.⁶ Pursuant to 19 CFR 351.224(e), the Department is amending the *India Final Determination* to reflect the correction of the ministerial errors described above.
