SUPPLEMENTARY INFORMATION: On January 30, 2009, the Commission adopted rules to require domestic public companies and foreign private issuers¹ that prepare their financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP), and foreign private issuers that prepare their financial statements using International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB), to provide their financial statements to the Commission and on their corporate Web sites, if any, in interactive data format using the eXtensible Business Reporting Language (XBRL).² Among other things, the Commission adopted Rule 405 of Regulation S-T, requiring filers to prepare Interactive Data Files that comply with EDGAR Filer Manual requirements.³ Section 6.3.9 of Volume II of the EDGAR Filer Manual requires use of a taxonomy specified on the Commission's Web site.

The Commission required foreign private issuers that prepare their financial statements in accordance with IFRS as issued by the IASB to begin their submissions in year three of a phase-in period.⁴ The Commission believed at that time that, by the phase-in date, the EDGAR system would be able to support an IFRS taxonomy and an IFRS taxonomy would be sufficiently advanced to require its use.⁵ Because the Commission had not specified on its Web site an IFRS taxonomy, foreign private issuers that use IFRS as issued by the IASB have not submitted their financial statement information to the Commission in XBRL. In recognition of the fact that it was not possible for foreign private issuers that use IFRS as issued by the IASB to comply with the Interactive Data File requirements until the Commission specified on its Web site a taxonomy for such use, in 2011 the Commission staff stated that foreign private issuers that prepare their financial statements in accordance with IFRS as issued by the IASB were not required to submit to the Commission and post on their corporate Web sites, if any, Interactive Data Files until the Commission specified on its Web site a
