SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Employer's First Report of Injury or Occupational Disease (Form LS-202), Employer's Supplementary Report of Accident or Occupational Illness (Form LS-210) information collection. Longshore and Harbor Workers' Compensation Act (Longshore Act) section 30(a) provides that a covered employer having knowledge of a disease or injury related to an employee's employment must file a report of the disease or injury to the Secretary of Labor within 10 days after the date of injury or death. The employer would use Form LS-202 to make the initial

report. Longshore Act section 30(b) requires the employer to furnish additional necessary reports regarding an employee's injury, and the employer would use Form LS-210 as a supplementary report after the employer's first report to report additional periods of lost-time from work. Proper filing of Forms LS-202 and LS-210 meets the statutory requirements. Longshore Act section 30 authorizes this information collection. See 33 U.S.C. 930.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0003.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on March 31, 2017. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on November 23, 2016 (81 FR 84622).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1240-0003. The OMB is particularly interested in comments that:
