

Interstate 94 (I-94). The purpose is to provide improved public transportation between downtown Saint Paul with its east side neighborhoods and the suburban cities of Maplewood, Landfall, Oakdale, and Woodbury. Since the NOI was published, through the environmental review and locally preferred alternative decision-making process, the potential project length has been reduced by approximately three miles and the transit technologies under evaluation have been reduced from light rail transit, bus rapid transit (BRT), and managed lanes to only BRT. Both these changes have minimized the potential impact of the proposed action. FTA, WCRRA, and the Metropolitan Council anticipate that an environmental assessment (EA), leading to a Finding of No Significant Impact (FONSI), would be the appropriate class of action under the National Environmental Policy Act (NEPA) for this project. Therefore, the FTA has decided to rescind the NOI for the EIS.

Comments and questions concerning the proposed actions should be directed to FTA at the address provided above.

Marisol R. Simón,

Regional Administrator.

Global Positioning System Adjacent Band Compatibility Assessment Workshop VI

AGENCY: Office of the Assistant Secretary for Research and Technology (OST-R), Department of Transportation.

ACTION: Notice of meeting.

SUMMARY: The purpose of this notice is to inform the public that the U.S. Department of Transportation will host its sixth workshop on the Global Positioning System (GPS) Adjacent Band Compatibility Assessment effort. The purpose of this workshop is to discuss the results from testing of various categories of GPS/Global Navigation Satellite System (GNSS) receivers to include aviation (non-certified), cellular, general location/navigation, high precision and networks, timing, and space-based receivers, as well as use-case scenarios for these categories.

This workshop is open to the general public by registration only. For those who would like to attend the workshop, we request that you register no later than March 27, 2017. Please use the following link to register: <https://volpe.centerevents.webex.com/volpecenter>

[events/onstage/g.php?MTID=e8b1c57d84d8ccaeda24a00e286e4ac48](https://www.volpe.dot.gov/interstate-94/interstate-94-workshop-6).

You must include:

- Name
- Organization
- Telephone number
- Mailing and email addresses
- Attendance method (WebEx or on site)
- Country of citizenship

The U.S. Department of Transportation is committed to providing equal access to this workshop for all participants. If you need alternative formats or services because of a disability, please contact Stephen Mackey (contact information listed below) with your request by close of business March 24, 2017.

DATES: *Date/Time:* March 30, 2017 10:00AM–4:00PM (Eastern Daylight Time).

LOCATION: RTCA, Inc., 1150 18th Street NW., Suite 910, Washington, DC 20036.

Several days leading up to the workshop, an email containing the agenda, dial-in, and WebEx information will be provided.

SUPPLEMENTARY INFORMATION: The goal of the GPS Adjacent Band Compatibility Assessment Study is to evaluate the adjacent radio frequency band power levels that can be tolerated by GPS/GNSS receivers, and advance the Department's understanding of the extent to which such power levels impact devices used for transportation safety purposes, among other GPS/GNSS applications. The Department obtained input from broad public outreach in development of its GPS Adjacent Band Compatibility Assessment Test Plan that included four public meetings with stakeholders on September 18 and December 4, 2014, and March 12 and October 2, 2015, public issuance of a draft test plan on September 9, 2015 (see 80 FR 54368), and comments received regarding the test plan. The final test plan was published March 9, 2016 (see 81 FR 12564) and requested voluntary participation in this Study by any interested GPS/GNSS device manufacturers or other parties whose products incorporate GPS/GNSS devices. In April 2016, radiated testing of GNSS devices took place in an anechoic chamber at the U.S. Army Research Laboratory at the White Sands Missile Range (WSMR) facility in New Mexico. Additional lab testing was conducted in July 2016 at Zeta Associates in Fairfax, Virginia and MITRE Corporation in Bedford, Massachusetts (see 81 FR 44408). Initial test results were presented at a fifth public workshop on October 14, 2016 (see 81 FR 68105).

Agency Information Collection Activities: Requests for Comments; Clearance of a Renewed Approval of Information Collection(s): Procedures for Transportation Workplace Drug and Alcohol Testing Programs

AGENCY: Office of the Secretary (OST), DOT.

ACTION: Notice and request for comments.

SUMMARY: The Department of Transportation (DOT) invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The collection involves Transportation Drug and Alcohol Testing. The information to be collected will be used to document tests conducted and actions taken to ensure safety in the workplace and/or is necessary because under the Omnibus Transportation Employee Testing Act of 1991, DOT is required to implement a drug and alcohol testing program in various transportation-related industries. DOT is required to publish this notice in the **Federal Register** in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments to this notice must be received by May 15, 2017.

ADDRESSES: You may submit comments by any of the following methods:

- *Web Site:* <http://www.regulations.gov>. Follow the instructions for submitting comments on the DOT electronic docket site.
- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at www.dot.gov/privacy.

FOR FURTHER INFORMATION CONTACT: Bohdan Baczara, Office of Drug and Alcohol Policy and Compliance, Office of the Secretary, U.S. Department of Transportation, 1200 New Jersey Avenue SE., Room W62-317, Washington, DC 20590; 202-366-3784 (voice), 202-366-3897 (fax), or bohdan.baczara@dot.gov (email).

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2105-0529.

Title: Procedures for Transportation Workplace Drug and Alcohol Testing Programs.

Form Numbers: DOT F 1385; DOT F 1380.

Type of Review: Clearance of a renewal of an information collection.

Background: Under the Omnibus Transportation Employee Testing Act of 1991, DOT is required to implement a drug and alcohol testing program in various transportation-related industries. This specific requirement is elaborated in 49 CFR part 40, Procedures for Transportation Workplace Drug and Alcohol Testing Programs. This request for a renewal of the information collection for the program includes 43 burden items including the U.S. Department of Transportation Alcohol Testing Form (ATF) [DOT F 1380] and the DOT Drug and Alcohol Testing Management Information System (MIS) Data Collection Form [DOT F 1385].

The ATF includes the employee's name, the type of test taken, the date of the test, and the name of the employer.

Data on each test conducted, including test results, is necessary to document that the tests were conducted and is used to take action, when required, to ensure safety in the workplace. The MIS form includes employer specific drug and alcohol testing information such as the reason for the test and the cumulative number of test results for the negative, positive, and refusal tests. No employee specific data is collected. The MIS data is used by each of the affected DOT Agencies (*i.e.*, Federal Aviation Administration, Federal Transit Administration, Federal Railroad Administration, Federal Motor Carrier Safety Administration, and the Pipeline and Hazardous Materials Safety Administration) and the United States Coast Guard when calculating their industry's annual random drug and/or alcohol testing rate.

Respondents: The information will be used by transportation employers, Department representatives, and a variety of service agents. Estimated total number of respondents is 3,034,690.

Frequency: The information will be collected annually.

Estimated Total Number Burden Hours: 748,196.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for DOT's performance; (b) The accuracy of the estimated burden; (c) Ways for the DOT to enhance the quality, utility and clarity of the information collection; and (d) Ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.48.

Issued in Washington, DC, on February 24, 2017.

Authority and Issuance

Dated: February 24, 2017.

Patrice M. Kelly,

Acting Director, DOT, Office of Drug and Alcohol Policy and Compliance, Acting Director.

DEPARTMENT OF THE TREASURY

Internal Revenue Service

Recruitment Notice for the Taxpayer Advocacy Panel

AGENCY: Internal Revenue Service (IRS) Treasury.

ACTION: Notice.

SUMMARY: Notice of Open Season for Recruitment of IRS Taxpayer Advocacy Panel (TAP) Members

DATES: March 8, 2017 through April 24, 2017.

FOR FURTHER INFORMATION CONTACT: Fred N. Smith, Jr. 202-317-3087 (not a toll-free call).

SUPPLEMENTARY INFORMATION: Notice is hereby given that the Department of the Treasury and the Internal Revenue Service (IRS) are inviting individuals to help improve the nation's tax agency by applying to be members of the Taxpayer Advocacy Panel (TAP). The mission of the TAP is to listen to taxpayers, identify issues that affect taxpayers, and make suggestions for improving IRS service and customer satisfaction. The TAP serves as an advisory body to the Secretary of the Treasury, the Commissioner of Internal Revenue, and the National Taxpayer Advocate. TAP members will participate in subcommittees that channel their feedback to the IRS through the Panel's parent committee.

The IRS is seeking applicants who have an interest in good government, a personal commitment to volunteer approximately 200 to 300 hours a year, and a desire to help improve IRS customer service. As a federal advisory committee, TAP is required to have membership be fairly balanced in terms of the points of view represented. Thus, TAP membership represents a cross-section of the taxpaying public with at least one member from each state, the District of Columbia and Puerto Rico, in addition to one member representing international taxpayers. For application purposes, "international taxpayers" are defined broadly to include U.S. citizens working, living, or doing business abroad or in a U.S. territory. Potential candidates must be U.S. citizens and must pass a federal tax compliance check and a Federal Bureau of Investigation criminal background investigation. Applicants who practice before the IRS must be in good standing with the IRS. Federally-registered lobbyists cannot be members of the TAP. Current employees of any Bureau of the Treasury Department or have worked for any Bureau of the Treasury Department within three years of
