SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-80211; File No. SR-ISEMercury-2017-04]

Self-Regulatory Organizations; ISE Mercury, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Harmonize Liability Caps and Related Reimbursement Requirements

March 10, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 27, 2017, ISE Mercury, LLC (“ISE Mercury” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 705 (Limitation of Liability) to harmonize its liability caps and related reimbursement requirements with those of NASDAQ BX, Inc. (“BX”), NASDAQ PHLX LLC (“Phlx”) and NASDAQ Stock Market LLC (“NSM” and together with BX and Phlx, the “Nasdaq Exchanges”).

The text of the proposed rule change is available on the Exchange’s Web site at www.ise.com, at the principal office

of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend Rule 705 (Limitation of Liability) to harmonize the Exchange’s existing liability caps and related reimbursement requirements for claims under Rule 705(d) with the caps and requirements set forth in the rules of the Nasdaq Exchanges.³ The Exchange and its affiliates, International Securities Exchange, LLC and ISE Gemini, LLC (together, the “ISE Exchanges”), were recently acquired (the “Acquisition”) by Nasdaq, Inc. (“HoldCo”).⁴ In the context of the Acquisition, the ISE Exchanges are working to align certain rules with rules of the Nasdaq Exchanges in order to provide consistent standards across the six exchanges operated by HoldCo (the “HoldCo Affiliated Exchanges”). As part of this effort, the proposal set forth below harmonizes the Exchange’s liability caps and the related reimbursement requirements with those of the Nasdaq Exchanges in order to provide uniform standards and requirements for users of the HoldCo Affiliated Exchanges.⁵

Rule 705 in its current form generally states that the Exchange is not liable for any losses due to the Exchange’s negligence or unintentional actions, but also provides in Rule 705(d) that notwithstanding this general limitation on liability, the Exchange may

³ See BX Rule 4626(b) and Phlx Rule 1015. See also NSM Rule 4626(b).

⁴ See Securities Exchange Act Release No. 78119 (June 21, 2016), 81 FR 41611 (June 27, 2016) (SR-ISE-2016-11; SR-ISEGemini-2016-05; SR-ISEMercury-2016-10).

⁵ International Securities Exchange, LLC and ISE Gemini, LLC will each file a proposed rule change with the Commission to adopt similar requirements.

compensate its members for losses resulting directly from the malfunction of the Exchange’s physical equipment, devices and/or programming. Subsections (d)(1)–(d)(3) of Rule 705 contains express conditions governing the voluntary payments made by the Exchange under these limited circumstances. Specifically, the Exchange’s payments for any and all system failures on a single trading day are capped at \$250,000 under subsection (d)(1). The rule text states that for the aggregate of all claims made by all market participants related to the use of the Exchange on a single trading day, the Exchange’s payments shall not exceed \$250,000. Subsection (d)(2) further provides that if the cumulative claims exceed the \$250,000 cap, this amount would be proportionally allocated among all such claims. Finally, subsection (d)(3) specifies that in order for a member to be eligible to receive payment under this Rule, claims for payment must be made in writing and submitted no later than the opening of trading on the next business day after the loss. Once in receipt of a claim, the Exchange is required to verify that: (i) A valid order was accepted into the Exchange’s systems; and (ii) an Exchange system failure occurred during the execution or handling of that order. A system failure will be deemed to have occurred when there is a malfunction of the Exchange’s physical systems, devices or software.

The Exchange now proposes to amend the existing rule text in Rule 705(d) to adopt the same liability caps and reimbursement requirements as the Nasdaq Exchanges.⁶ Proposed Rule 705(d) would provide that the Exchange may, notwithstanding the general limitations on liability contained in Rule 705(a), compensate users of the Exchange for losses directly resulting from the actual failure of the System,⁷ or any other Exchange quotation, transaction reporting, execution, order routing or other systems or facility to correctly process an order, quote, message, or other data, provided that the Exchange has acknowledged receipt of the order, quote, message, or data. This limited exception in proposed Rule 705(d) would be subject to certain conditions and requirements contained in proposed subsections (d)(1)–(3).

Subsection (d)(1) proposes that the aggregate payments for all compensation claims made by all market participants

⁷ “System” means the electronic system operated by the Exchange that receives and disseminates quotes, executes orders and reports transactions. See the Constitution of ISE Mercury, Section 13.1(ee).
