## II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* Comprehensive Decommissioning Program, Including Annual Data Collection.
2. *OMB approval number:* 3150–0206.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* N/A
5. *How often the collection is required or requested:* Annually.
6. *Who will be required or asked to respond:* All Agreement States who have signed Section 274(b) Agreements with the NRC.
7. *The estimated number of annual responses:* 69 (45 responses from Agreement States with sites of interest +24 responses from Agreement States with no sites of interest).
8. *The estimated number of annual respondents:* 37 (13 Agreement States respondents with sites of interest +24 Agreement States respondents with no sites of interest).
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 432 (360 hours from Agreement States with sites of interest +72 hours from Agreement States with no sites of interest).
10. *Abstract:* The Agreement States will be asked to provide information about uranium recovery and complex sites undergoing decommissioning regulated by the Agreement States on an annual basis. The information request will allow the NRC to compile, in a centralized location, more complete information on the status of decommissioning and decontamination in the United States in order to provide a national perspective on decommissioning. The information will be made available to the public by the NRC in order to ensure openness and promote communication to enhance public knowledge of the national decommissioning program. This does not apply to information, such as trade secrets and commercial or financial information provided by the Agreement States, that is considered privileged or confidential.

## III. Specific Requests for Comments.

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 13th day of March 2017.

For the Nuclear Regulatory Commission.

## POSTAL SERVICE

### Notice of Intent To Prepare a Programmatic Environmental Assessment for the Purchase of Commercial Vehicles

**AGENCY:** Postal Service.

**ACTION:** Notice of intent to prepare a Programmatic Environmental Assessment.

**SUMMARY:** To comply with the requirements of the National Environmental Policy Act (NEPA), the Postal Service intends to prepare a Programmatic Environmental Assessment (PEA) for the purchase of commercial off-the-shelf (COTS) delivery vehicles to accommodate route growth and replace aged, high-maintenance vehicles over the next three years. This PEA will evaluate the environmental impacts of the proposed action versus the alternatives of leasing the vehicles in lieu of purchase, and taking no action.

**DATES:** Comments should be received no later than April 3, 2017. In May of 2017, the Postal Service will publish a Notice of Availability to announce the availability of the Draft PEA and solicit comments on the Draft PEA during a second 15-day public comment period.

**ADDRESSES:** Interested parties may direct comments, questions, or requests for additional information to: Davon Collins, Environmental Counsel, U.S. Postal Service, Room 6333, 475 L'Enfant Plaza SW., Washington, DC 20260,

telephone (202) 268–4570, email [davon.m.collins@usps.gov](mailto:davon.m.collins@usps.gov).

**SUPPLEMENTARY INFORMATION:** This notice concerns a proposed purchase of commercial off-the-shelf (COTS) delivery vehicles, and the intent of the Postal Service, pursuant to the requirements of the National Environmental Policy Act (NEPA) of 1969, its implementing procedures at 39 CFR 775, and the President's Council on Environmental Quality Regulations (40 CFR parts 1500–1508), to prepare a PEA to evaluate the environmental impacts of the proposed action versus the alternatives of leasing the vehicles in lieu of purchase, or taking no action.

To stabilize its delivery fleet pending the development of a longer-term solution to its vehicle needs, the Postal Service is considering the purchase of approximately 25,000 left-hand drive and right-hand drive COTS delivery vehicles to accommodate route growth over the next three years and to replace approximately 18,000 aged and high-maintenance cost vehicles. The prospective PEA will be prepared in accordance with NEPA, and will consider the physical, biological, cultural, and socioeconomic environments. To assist in this process, the Postal Service is soliciting the public's input and comments.
